About The Sheffield UTC Academy Trust: Nick Crew, Executive Principal

The Sheffield UTC Academy Trust is a growing UTC-only Trust. The UTCs in Sheffield are some of the most successful in the country. The Trust sponsors being The Sheffield College, Sheffield Hallam University and The Sheffield Chamber of Commerce and Industry. Our UTCs have many other employer partners supporting an employer-led curriculum that is nationally recognised. Recently in 2019, following an invitation from the Department for Education, the Trust expanded to include a UTC in Derby.

The Trust governance arrangement includes an over-arching Trust Board and also each UTC has a local governing body who has delegated responsibilities from the Trust Board. The current governors and trustees provide outstanding support and challenge coming from a wide range of backgrounds including the Trust Sponsors, universities and employers linked to the specialisms, local councilors, parents and other professional organisations.

In Sheffield we offer specialist courses designed with employers in five exciting areas: Computing; Creative & Digital Media; Engineering & Advanced Manufacturing; Health Sciences and Sport Science. These are all regional, national and international growth areas that will offer strong career opportunities in the future.

In Sheffield we have two UTCs, UTC Sheffield City Centre and UTC Sheffield Olympic Legacy Park. Students can join from age 13, in Year 9 or at age 16, in Year 12, to study an academic STEM focused curriculum – GCSEs and A Levels – alongside their technical specialism. The difference is there is a real focus within the curriculum on the employability and technical skills that employers value, including employer-led projects. Students gain the skills and qualifications to open up opportunities for jobs, apprenticeships and university courses.

UTC Derby Pride Park joined the Trust in December 2019 and currently offer Engineering and Health & Life Sciences as a pathway for students.

About UTC Derby Pride Park: Lee Kirkwood, Principal

UTC Derby Pride Park joined the Trust in December 2019 offering specialist courses designed with employers in the exciting areas of Engineering and Health & Life Sciences. These are all regional, national and international growth areas that will offer strong career opportunities in the future.

UTCs are all about employer-led education and we are fortunate here to have the support of some of the world's best known companies including Bombardier (Alstom), Rolls-Royce, Toyota and the NHS (Joined Up Care Derbyshire). We also enjoy the support and input of one of the UK's leading universities, University of Derby, nominated for 'University of the Year Award 2019' in the Times Higher Education Supplement.

About UTC Sheffield City Centre: Alex Reynolds, Principal

We opened in 2013, and had our first set of graduates on 2015, who came out with fantastic results, especially in their technical qualifications. This was followed by a successful first OFSTED inspection in 2016.

Located in Sheffield's vibrant creative quarter, the City Centre campus is in the hub of creative and digital businesses in Sheffield. With capacity for 600 students, when full, our class sizes are smaller than average, allowing staff to spend more time with the students.

At the City Centre UTC we offer a dynamic, career-focused and supportive learning environment working in partnership with a wide range of local engineering and creative and digital employers.

Our state-of-the-art building is equipped with high quality, industry-standard facilities, including engineering mini factories, milling machines and lathes, a prototyping workshop, a CNC machine suite, and much more.

In February 2020 we had our second Ofsted inspection, achieving a very strong 'Good' rating; Ofsted praised UTC Sheffield City Centre on establishing a business-like culture and technical curriculum closely aligned to the needs of employers and universities.

About UTC Sheffield Olympic Legacy Park: Jessica Stevenson, Principal

UTC OLP specialise in Health Sciences, Sport Science and Computing. Students can start with us in Y9 or Y12 to study a combination of GCSEs/A Levels and a technical specialism (OCR Cambridge Technicals and Nationals). The UTC achieved a very successful first OFSTED inspection rated 'Good' in 2019.

We are located on the Olympic Legacy Park, which is set to be part of an internationally recognised Innovation District for health and wellbeing research and learning. The Olympic Legacy Park not only hosts Sheffield's second UTC, but also the English Institute of Sport, Sheffield Eagles Rugby and the Advanced Wellbeing Research Centre (AWRC) which will be the most advanced research and development centre for physical activity and health in the world.

At UTC Sheffield Olympic Legacy Park we offer a dynamic, career-focused and supportive learning environment, working in partnership with a wide range of local health, sport and computing employers.

Our state-of-the-art building is equipped with high quality, industry-standard facilities, including a health and development suite with a flexible ward set up, a child development area and a facility for an operational ambulance, a user experience (UX) lab, Cyber security Centre, a fitness suite and much more.

We are looking to recruit a Curriculum Director for Mathematics. You will work alongside our Principal, Lee Kirkwood and his Senior team to develop a centre of excellence focusing on Engineering and Health and Life Sciences. The core subjects underpin everything we do and as Curriculum Director for Mathematics, you will have a pivotal role. Mathematics is critical to our specialist subjects and the most popular A-level at the UTC.

You will have a track record of successful operational delivery at a leadership level in a relevant setting and proven positive impact on raising standards and managing change.

In addition, you should be a highly skilled practitioner who understands the challenges of educating 13-19 year olds in an employer-led technology-rich environment. Effective partnership working is absolutely critical to the UTC's success. We are looking for engaging and inspirational individuals. Resilient, driven and focused who will help establish a pioneering institution at the heart of the Sheffield City Region and its communities.

The suitable candidate will; lead and manage the faculty, thereby ensuring that all students and team members adhere to the UTC values and policies and that all students taught within the faculty are given opportunities to maximise their potential; provide high quality teaching and assessments for all students studying within the faculty; lead and contribute to collaborative teaching and learning planning across faculties to fully implement the holistic learning vision of the UTC.

Successful candidates will be expected to:

- Lead the operational management of staff within the department
- Implement curriculum and assessment strategies
- Monitor and report on the performance of all students within the department
- Implement appropriate intervention strategies where required.

Candidates will require:

- The ability to work under pressure and as part of a team
- Good communication and interpersonal skills
- Experience that demonstrates an aptitude for operational departmental management.

The Sheffield UTC Academy Trust is sponsored by Sheffield Hallam University, The Sheffield College and Sheffield Chamber of Commerce and Industry.

Closing date: Sunday 15 May 2022

Interviews: w/c 16 or 23 May 2022

We are an employer who values equality and diversity and we are committed to safeguarding and promoting the welfare of children. We follow safer recruiting procedures and successful applicants will be required to have an enhanced DBS check.
