

RANELAGH SCHOOL

CURRICULUM LEADER Mathematics

Dear Colleague

Thank you for your interest in the post of Curriculum Leader Mathematics at Ranelagh School. In this letter, we aim to provide you with some further insight into our school and our priorities.

Our school has an excellent reputation at local and national level. The last inspection by Ofsted in 2015 judged us to be outstanding in all areas. This was our fourth outstanding report and, whilst we are very proud of this achievement, we are in no way complacent.

In addition to excellence in terms of academic outcomes, our purpose is to provide a supportive, stimulating and secure environment in which young people can thrive. As such, we seek to employ inspirational and energetic staff, committed to the school's ethos. In return, we aim to provide opportunities for continuing professional growth and development for all staff, beginning with a well-established induction programme.

Given that we spend such a significant proportion of our time in the workplace, it is important to take pride and pleasure in what we do here. Teaching and non-teaching staff collaborate well. They are mindful of one another's well-being and there is a strong sense of collective purpose.

If you are interested in learning more about the role, then please do contact me. If you would like to apply, please submit your application using the form available on our website www.ranelagh.bonitas.org.uk

We look forward to hearing from you.

Yours sincerely

Mr Timothy Griffith
