Our Academy

Holderness Academy and Sixth Form College is a large comprehensive school with 1108 students on roll, including 105 in the Sixth Form. The Academy is situated in East Riding of Yorkshire and located in the small village of Preston – a village which dates back before the Domesday Book. It sits six miles to the East of Hull and one mile from the town of Hedon.

The Academy attracts students from all its surrounding East Yorkshire towns and villages, and staff from even further afield. We are incredibly proud to have a positive and engaged student body and a dedicated and talented team of staff and governors.

Holderness Academy and Sixth Form College is a disciplined and well-organised environment. We have high standards of Academy dress and have clear expectations on punctuality, attendance and behaviour, having recently implemented a Student Positive Discipline Policy. Our students have responded well to the new policy and this is reflected in all aspects of school life with noticeable improvements to student behaviour and attitude throughout the Academy.

We have a strong student and staff voice approach which has impacted significantly on the recent developments in our Academy environment and in approaches to Teaching and Learning and fostering well-being and mental resilience across all teams within our school.

The recent set of student outcomes in 2019 demonstrate that our changes are seeing an impact and improving outcomes for learners, our Progress 8 measure (demonstrating the academic value we have added to student in their time with us from Year 7 to Year 11) improved.

Our supportive approach to developing the whole young person is delivered through our Pastoral Support System which responds to the wider support needs that children living in the modern world may develop. Their tutor is the first point of call but a dedicated Pastoral Manager per year group and a focus Progress Leader are key to our students commenting ‘they feel safe in school’. It is the responsibility of all members of staff to keep students safe and this is an essential part of the Academy core business.

The Sixth Form College is focussed on providing high quality teaching and care to secure the best achievement and outcomes for all. Within the Sixth Form there is a dedicated suite of teaching rooms and facilities, which provide a bespoke Sixth Form College feel. Sixth Form students play a full role in the life of the Academy, but equally enjoy the advantages of this dedicated provision.

Despite challenges related to the OFSTED Inspection of June 2017, the Academy retains a strong community ethos, we very much consider ourselves to be a community comprehensive.

As a school we firmly believe opportunities and experiences play a huge role in enabling young people to develop their skills and attributes beyond the classroom. The Academy prides itself on the wide range of extra-curricular opportunities offered to its students. Annually, students take part in a variety of teams, clubs and events. Staff give a great amount of time to supporting students to develop wider cultural experiences through trips and visits and in relation to their academic progress.

Multi Academy Trust

On 1 October 2018, Holderness Academy and Sixth Form College (formerly South Holderness Technology College) joined a multi academy trust, 'The Consortium Academy Trust' (TCAT). TCAT currently comprises of six secondary schools and three primary schools, with a total of almost 8,000 learners and a significant staff team.

The Trust was developed to provide a platform to deliver high quality educational experiences for the children and young people within the communities it serves, to enhance and improve their life chances and enable them to make substantial and sustained contributions to society. We will achieve this by building a strong, regional offer that supports the educational aspirations of current and future generations while providing excellent career opportunities for staff.

Our Vision & Values

“To inspire and empower young people to make a positive difference today; ready for tomorrow.”

What It Means to be a Holderness Learner

We aim to deliver a broad aspirational curriculum alongside enriching extra-curricular provision. We are eager to provide students with tangible, genuine and invaluable experiences by working with our local community. We endeavour to consistently herald the qualities that we recognise as being essential for the future success of the Holderness Learner; Aspiration, Resilience, Respect and Kindness.

Holderness Learner Values

The Holderness Learner has four strands linked to our core values:

Holderness Explorer – Aspirational

We aim high, complete all work to the best of our ability and support others to achieve the same.

In a changing world, we have to prepare our young learners to achieve great things and compete locally, regionally, nationally or internationally for the future. Our curriculum is designed to give the best exposure to learning opportunities both in and outside of school. As a school, your child will be challenged on an ‘I can’t do it’ attitude to encourage a change in mindset where they learn to think ‘I cannot do it YET!’ This mindset will equip students for the challenges they will face in the future. In becoming a Holderness Explorer, students also learn to be ambitious, tolerant and adventurous.

Holderness Scholar – Resilient

We arrive on time to all lessons with the correct uniform, equipment and ready for learning. We never give up and we love a challenge.

At the Academy, we work hard to unlock potential and develop talent at all levels of ability to ensure that everyone does their best, and that no child is left behind. Developing a 'can do' attitude will ensure students do not give up at the first hurdle and thrive in the face of adversity. In becoming a Holderness Scholar, students also learn to be independent, reflective and hardworking.

Holderness Leader – Respectful

We respect ourselves, all members of our school and wider community, following instructions without question or answering back.

We have high expectations of student's behaviour. We expect that our students look for the good in others and to be honest and trustworthy. This is essential to allow learning and progress. In becoming a Holderness Leader, students also learn to be caring, proud and honest.

Holderness Collaborator – Kind

We value good manners. We are friendly, generous and considerate.

We want to make sure every young person is a happy, confident individual who feels valued so they can make a positive contribution during their time at Holderness Academy & Sixth Form College. Students will face their most significant physical, mental and social changes of their lives during their time with us. Our pastoral programme is designed to support with these changes. In becoming a Holderness Collaborator, students will also learn to be articulate, confident and enthusiastic.
