Headteacher: Mrs M John

Curriculum Leader: IT and Computing
September 2023
MPS/UPS plus fringe and TLR

We are looking to appoint an innovative, enthusiastic and ambitious Curriculum Leader for IT & Computing to lead this forward thinking department within a successful specialist school for Mathematics and Computing. Stanborough is proud of the extensive curriculum offer in this key faculty area. Students are offered a range of courses at both KS4 and 5 and we are continually looking to develop our curriculum further. Discrete IT is also taught to students in both Years 7 and 8.

This post would equally suit an existing leader or a suitably experienced teacher with a record of outstanding teaching and learning practice who wishes to make their first move into middle leadership and lead the development of this curriculum area. You should have the ability to lead and develop practice within IT & Computing as well as promote high expectations and inspire our students to reach their full potential. An excellent induction and support programme will be available to all applicants.

We were delighted to be awarded a 'Good' rating by Ofsted in March 2023, this recognises the hard work and progress made by all in the school. Prospective candidates are encouraged to read the full report available on our website at <https://stanborough.herts.sch.uk/wp-content/uploads/2023/01/2023-OFSTED-Report.pdf>.

For an informal discussion about the post or to arrange a visit prior to application please contact Tim Braybrook, Deputy Headteacher – tbraybrook@stanborough.herts.sch.uk

This is an exciting time to join Stanborough School as, founded on our values and a belief in 'success for all', we continue on our journey towards 'Outstanding'.

Applications are invited by letter to Mrs M John, Headteacher, (no more than 2 sides of A4) together with a **Stanborough application form**. Further information and application forms are available on our website: www.stanborough.herts.sch.uk
