Alec Reed Academy is an Ofsted 'Good' school and an exciting place to work. In July 2018 it received praise from Ofsted who described it as *'at the heart of its community, an inclusive school with leadership providing excellent role models and maintaining the good quality of education since the last inspection in 2015'*.

We seek to appoint an experienced and exceptional linguist competent in both French and Spanish with the leadership qualities, management skills and drive necessary to contribute to leading the further development of Modern Foreign Languages at the Academy. This new role is central to our aim of becoming a securely outstanding school and is to commence in September 2021. In September the MFL Department will consist of 3 teachers of which there is a Subject Leader for Spanish. The position of Curriculum Leader has been created further to the recent resignation of the Subject Leader - French following maternity leave. The department is expanding as more pupils are opting to study languages and we offer both French and Spanish along with teaching languages in KS2 of our Primary Phase.

As an Academy we enjoy a low staff turnover and a higher than normal team of support staff including dedicated Student and Family Education workers assigned to each Year Group, CLASS Workers assigned to curriculum areas and a high investment in CPD. The Academy offers excellent career and professional development. The Academy is outer London but with Inner London pay and offers free on-site parking, free use of the gym, subsidised meals and family friendly policies including dependents entitlement. The successful candidate can also benefit from a personalised development plan.
