## **MESSAGE FROM THE TRUST**

Dear applicant,

We are delighted that you are considering applying for a role within the White Rose Academies Trust. Your interest comes at an important and exciting time in the development of the trust and our relentless implementation of our 2025 vision. At the heart of this vision is the aim for more young people and colleagues to benefit from our community-focused philosophy; the belief that the education we deliver regenerates our communities and transforms lives.

In December 2020, we reached our first milestone when our first primary school joined our trust as a sponsored academy. Already, this truly community-focused academy, now named Alder Tree Primary, has enriched our trust and so, our vision is one step closer to becoming reality. Therefore, you could not be joining us at a more exciting point in our ongoing transformation. As we look forward to the prospect of many more schools joining us, the reality is that this could be a pivotal moment in your career. As we grow, the opportunities within our trust and the wider Luminate Education Group are limitless.

The power of a vision is best measured by the number of detractors who claim it cannot be achieved. In our roles as Chief Executive Officer and Executive Principal of the White Rose Academies Trust, it has been a privilege to witness the drive and determination with which our staff have implemented our vision, to ensure that our academies provide:

- world-class levels of teaching and learning,
- bespoke pastoral care that nurtures our students' aspirations,
- inspiring learning environments where our students can make mistakes and overcome their personal fears to become the best version of themselves,

- industry-leading continuous professional development for all staff, as investing in our colleagues is always the right thing to do,
- local centres of community transformation.

The hard work has been recognised, and whilst we know our work is far from complete, we are proud to have reached several milestones:

- 'Good' Ofsted ratings at all three secondary academies in 2019, with an 'Outstanding' rating at Leeds City Academy for Leadership and Management.
- We welcomed our first primary school in late 2020, Alder Tree Primary.
- We began an aspirational journey in 2021 by joining High Performance Learning's 'World Class' school transformation programme.

Our dedicated staff, incredible governors and amazing students are relentless in their shared aim to create truly world-class schools. The trust strives daily to empower its academy Principals to create schools that genuienly represent the communities they serve. We insist that our academies and our trust are externally focused, obsessive in their quest to learn from the very best, never leaving self-improvement to chance. We see vacancies such as this as an opportunity to attract talent, bringing the best practice into our trust. By joining us, you become a crucial part of the team that will deliver our powerful vision. Together, we will transform lives.

## THE WHITE ROSE ACADEMIES TRUST "WE SAID, WE DID"

Yours sincerely,

Mr Andrew Whitaker

# MESSAGE FROM THE PRINCIPAL

I am absolutely delighted to share this amazing opportunity at Leeds West Academy, as we seek to recruit another talented and aspirational colleague, committed to professional excellence, to join our team.

Our vision is that Leeds West Academy is an academy renowned for excellence and is a seat of transformation and pride in its community. We are supported on our journey towards that vision by being a part of the White Rose Academies Trust. White Rose has a strong reputation of being a caring, supportive and effective organisation that puts people first.

I am sure that having read about the White Rose Academies Trust, Leeds West Academy, our students, our community, and our continued journey of transformation, you will recognise the opportunity to become an integral part of building something remarkable.

Leeds West Academy is built upon a strong sense of community, underpinned by our core values and at the heart of this academy are the nurturing and supportive relationships that exist amongst our staff and students. These relationships are what makes this academy special and benefit our students each and every day. In my time in education, I have seen nothing that compares to the community we have here at Leeds West Academy: a community where staff and students thrive.

We are a 'Good' and rapidly improving academy and I am delighted that you have taken an interest in joining our community and wanting to work for us. In May 2019, Ofsted judged our academy as 'Good' in all areas and in that same year we secured the best GCSE results in the academy's history. We are proud of these achievements, but I believe that better never stops and we are constantly improving. My vision is for an academy that provides an exceptional, world class education and leads to exceptional futures for all our students and engenders this important sense of pride in the community we serve.

Our success has been down to the high expectations we have of our staff and students in committing and working together to ensure that every student at Leeds West Academy is known, valued and understood. Our broad and ambitious curriculum offers new life experiences and secures strong outcomes, so every student achieves their fullest potential.

All staff at the academy are committed to professional excellence and doing even the most ordinary things extraordinarily well. It is because of this commitment to accepting nothing but the best for our students that Leeds West Academy has become one of the most popular academies in Leeds, something of which our students and staff are rightly proud.

Leeds West Academy is a vibrant, diverse and welcoming school community and we are currently making excellent progress. As part of the White Rose Academies Trust, Leeds West Academy has set its ambition to be rated Ofsted 'Outstanding'. This is a challenge that both staff and pupils alike are determined and excited to meet.

We continue this journey of transformation and are determined to provide an exceptional quality of education and culture for all students at Leeds West Academy, with the ambition that all students excel both academically and as aspirational and inspirational young people. There is no better time to join Leeds West Academy as a colleague.

Leeds West Academy is a unique and very special place to work. Our philosophy is grounded equally in securing the highest professional standards and supporting and caring for all professionals. We will create the environment for you to succeed. As a key member of the White Rose Academies Trust and ground-breaking Luminate Education Group, all professionals benefit from exceptional CPD like no other in the city. Wellbeing underpins our decisions and is embedded within the culture of the White Rose Academies Trust. A broad, varied and highly personalised package of CPD is well-established, driven by the latest educational research, and focused on the development of all professionals in the organisation at each career stage. Colleagues train with us, grow with us and progress with us.

It is a privilege to lead Leeds West Academy on the next phase of our journey to 'Outstanding' and I thank you for the interest you have shown in joining our community and working with us.

### SO, NOW IT'S OVER TO YOU...

- Are you eager to join a forward-thinking organisation committed to securing the highest educational, professional, and personal standards?
- Do you feel you will thrive within a culture that is driven by clear values that permeate everything we do?
- Do you feel passionately about transforming student lives and the opportunities provided to our communities? If so, then we would be delighted to hear from you.

Yours sincerely,

Mr Dan Whieldon

Principal
