JMHS are seeking to appoint an ambitious, creative and dynamic Curriculum Leader for Technology including the ability to teach up to KS5. The main responsibilities are to:

- Ensure all students are engaged in technology lessons, work safely and with excellent behaviour.
- Effectively line manage the Technology Department,
- Maximise the number of students studying technology beyond KS3

We are committed to developing our staff through first class induction and high-quality professional development. As a result, a large proportion of JMHS staff have achieved promotion to middle and senior leadership positions.

JMHS was last inspected by OFSTED in November 2022 who confirmed our good grading and whose comments included:

- Pupils behave well. They are polite to their teachers and considerate of their peers.
- Parents rate teachers' high expectations because they push pupils to do more. Many say teachers go 'above and beyond' for their children.
- Pupils can do unusual stuff at this exciting school.
- School leaders have constructed a rich and engaging curriculum.
