With effect from September, we are seeking to recruit a technically minded, innovative and passionate D&T Technician to provide support and direction to our students to help them achieve their best. You will join an experienced teaching team and support them in areas such as Technology, Food and Textiles. This is an interesting and varied role and would suit someone who has practical technology experience with good organisational and inter-personal skills. Training will be provided, if required. The candidate will contribute to the safeguarding and promotion of the welfare and personal care of the children and young people with regard to the Keeping Children Safe in Education (KCSIE) guidelines and Area Child Protection Procedures.

WE ARE LOOKING FOR THE FOLLOWING SKILLS AND QUALITIES:

- Experience of working in a busy environment, working to tight deadlines, whilst maintaining a safe environment
- Evidence of working in a practical environment or an interest in engineering and/or construction
- Ability to use own initiative and prioritise effectively, particularly with the repair and maintenance of the machinery and equipment
- A willingness to undertake appropriate training
- A good communicator, able to work independently and as part of a team

WE CAN OFFER YOU:

- Support from an experienced and well-resourced D&T Department
- First Aid at Work qualification
- Local Government Pension Scheme with generous employer contribution
- Employee benefits including an Employee Assistance Programme & Cycle to Work scheme
- Free onsite parking
