# Curriculum

The Weston Road Academy is committed to providing for all of its students a broad, balanced and personalised education. The emphasis, in all years, is upon providing students with a varied diet of studies across a wide range of subjects. Personalisation is achieved through high quality teaching. Further, corrective literacy and numeracy schemes and one-to-one tuition are used to support the literacy and numeracy of those students who need this.

In Year 9, students are given the opportunity to choose some of their courses to study, in order to pursue particular interests or strengths. At this "Options stage", students are guided along a particular pathway according to their own individual strengths and weaknesses, but can ultimately make their own choices. This allows students to follow a curriculum which is balanced, stimulating and of interest to them.

Social, Moral, Spiritual and Cultural Education, Citizenship, Literacy, Numeracy, Economic Awareness, Health Education, Internationalism and Careers are delivered across the Curriculum, often in SHARE (Social, Health and Relationships Education).

In the Sixth Form we work in collaboration with four other schools in Stafford. This allows students to choose from a wide variety of academic and vocational courses.
