MULTI ACADEMY TRUST

DEAR APPLICANT

Thank you for your interest in Ossett Academy and Accord Sixth Form College. We hope that the information contained within this pack will help you decide if you have the right qualities, skills and experience to apply for our vacancy.

The academy has gained a reputation for excellence that is best evidenced in the outcomes that pupils achieve across all aspects of academy life. Our strong tradition of success is built on a firm foundation of personalised pastoral care, ensuring a climate for learning that is calm, well ordered and secure. We recognise the hard work and efforts of pupils in their lessons and their learning, and positive recognition of both staff and pupils is at the heart of our approach.

Academic success is only one part of our story. Whilst we are incredibly proud of our excellent track record of high levels of pupil achievement in the context of a broad and balanced curriculum, we also offer and actively encourage our pupils to engage in a wide range of enrichment activities. There really is an extensive variety of extra-curricular opportunities at the academy.

Whilst supporting our pupils and students to be the very best learners is our primary focus, the development of our community is also an extremely important feature of our work. It is Ossett Academy's key priority to ensure that we have very positive relationships with parents and carers in order to fully support the learning of all young people.

We understand that partnership and collaboration is an important aspect to the ongoing development of schools and academies and with this in mind, we continue to play a key role alongside our primary pyramid as a member of the Education Ossett Community Trust (EOCT), striving to provide world-class opportunities for the community of Ossett, and supporting young people aged 3-18 to develop a lifelong passion for learning, across a range of experiences.

Further to this partnership approach, we work alongside Horbury Academy, Horbury Primary Academy, Middlestown Primary Academy and South Ossett Infants Academy as part of Accord Multi Academy Trust. We feel this is both exciting and enriching for the academy and its staff and pupils. The vision of our partnership is that Accord Multi Academy Trust will enhance both our practice and knowledge of learning across primary and secondary education, whilst also providing access for pupils and staff to an even better range of opportunities in order to achieve excellence.

I am extremely proud to lead Ossett Academy and to work alongside such a talented body of pupils and staff, who are fully committed to working as a team. If you feel that you have the vision, drive and energy to support and contribute to the academy's further continued improvement, then we would love to hear from you.

Yours sincerely,

Nicola Walker
Executive Principal

ABOUT THE TRUST

Accord Multi Academy Trust is an educational charity, established in September 2016. The founding members of the Trust were Horbury Academy and Ossett Academy & Accord Sixth Form College, joined in December 2016 by Horbury Primary Academy and Middlestown Primary Academy. Our fifth member, South Ossett Infants Academy, joined us in 2024.

The overarching vision for the Trust is to work in one

‘Accord – celebrating the differences of each academy through strong collaboration in order to inspire all members of our learning community to be the best that they can be.’

Our academies work on the following key principles:

Ambitious for our young people and staff;

Creating a positive climate and an ethos for learning and success;

Collaborative to secure the best possible learning experiences for young people and staff;

Opening doors for parents, carers and the community and being fully inclusive;

Resilient in order to develop in young people and staff a mindset for success;

Dynamic and reflective learning communities.

Our vision and key principles are underpinned by the highest expectations of what every child can achieve regardless of their context or starting point.

Having consolidated our position as a multi academy trust, we are now at a point where we are looking to build on our existing central structures to sustain our improvement to date, but also to ensure that we have the strong educational capacity necessary to welcome more academies to join the Trust. This particular post is therefore a very important feature of our planned growth and development and aspiration to provide a world class education for all young people within our community.

WHY WORK FOR THE TRUST?

Accord Multi Academy Trust is based in Wakefield; all five academies in the Trust are closely located to one another which lends itself to many opportunities to work closely and collaboratively. All academies are within a three-mile radius of one another and can be found a short drive off junction 40 of the M1.

At Accord we are committed to providing world class education for all young people within our community and as such we recognise the pivotal role that our staff play in this respect.

The Trust places at the heart of its development a commitment to high quality professional development for all staff who join the Trust. We understand that by investing in our staff we will create an organisation with a shared vision and values that will transform education for young people.

The Trust is strongly committed to fostering a positive and healthy working environment with wellbeing and workload management at the forefront of all decision making.

Across the Trust there are a number of opportunities for staff to come together outside of their normal working day in a social or other activity capacity. The Trust and individual academies organise regular staff social events, craft workshops, and sporting groups, which currently include a running club and weekly staff football matches.

“

"After starting as an NQT at Ossett Academy I have taken part in a range of CPD which has given me the opportunity to develop not only my classroom practice but also my leadership experience. This started by acting as an ITT and ECT mentor, joining the Trust's Aspiring Middle Leaders programme and then last year completing an NPQ in Leading Teaching. All this experience has helped prepare me for my current role as Head of Biology."
