Dear Candidate

We are delighted you are interested in applying for a role at Uckfield College and thank you for taking the time to discover more about life at our school.

The staff here, both teaching and non-teaching, are excellent. They are utterly professional and deeply caring people who have a strong moral purpose to make a difference to young people. Students in lessons are ready and eager to work. It is no surprise that the results are so good. Both personally and professionally, I am very proud of the work they do. While we are a 'students first' college and students are what we are here for, our greatest asset is our dedicated staff who strive and frequently go beyond the 'call of duty' to develop and maintain the very special learning environment that is Uckfield College. We are a Super Curricular school, which means that every student in years 7-13 (including those who are disadvantaged or have special needs) has to do at least one Super Curricular activity a week. There is an exceptional range of exciting opportunities on offer.

I feel sure that you will identify Uckfield College as an energetic and successful place in which to work. One aspect that stands out is the tremendous support for teachers. There are comprehensive shared resources, detailed schemes of learning, weekly Joint Professional Learning Time (JPL), a new, innovative Professional Learning and Development (PLD) programme and our research informed, nationally recognised framework for teaching and learning, called Uckfield Excellence. Uckfield Excellence has been very well received when presented at national conferences. Our professional development programme is exceptional and every member of staff in our team has tremendous training for their support role, teaching post or leadership position.

If, after reading about us, you decide to apply for the post, then we look forward to receiving your application form. Applications will be processed in line with the dates provided and we will write to successful and unsuccessful candidates as soon as possible to inform them of their progress.

There is further information about the College, including Prospectus and an electronic version of the briefing booklet and application form available on our website: www.uckfield.college. If there are specific parts of the application you would like to clarify, or if there is particular information you require, then please telephone me at the College. I can be contacted via my PA, Toni Fletcher, on 01825 764844, extension 1002.

In conclusion, I make no excuses for sounding so very proud of the enthusiasm, hard work and support of staff, students, parents and governors. Uckfield College is very much a team and I believe, fundamentally, a very happy and successful one.

I look forward to meeting short-listed candidates at interview.

Yours sincerely

Sara Marshallsay
Principal

About our College

Uckfield College is a rapidly improving school with excellent results, happy staff and students and highly engaged governors. In September 2022, Ofsted concluded that there was sufficient evidence that the school could be judged outstanding in a subsequent inspection. The lead inspector said 'this feels like an outstanding school'. We are expecting a follow up graded Ofsted inspection in one to two years and we are looking for a leader who can support the College to achieve the outstanding judgement the community of staff, students and parents deserve.

In the Ofsted feedback, the inspection team were full of praise for all aspects of College life:

- "The curriculum is very well planned, sequenced and developed."
- "Teachers make good use of assessment information to plan work that meets the needs of all pupils."
- "Teachers use technology highly effectively."
- "Teachers have worked collaboratively... to increase the level of challenge for pupils."
- "Teachers... ensure a consistent approach to feedback."
- "Pastoral leaders now have a more rigorous approach in place which ensures greater consistency across all year groups."
- "Pupils feel that their teachers listen to them in lessons and that they are well challenged."
- "Leaders have very high expectations."

Inspectors also said some wonderful things about our students:

- "The College Council are the most delightful group I have worked with in a very long time."
- "Pupils relish leadership roles."
- "Pupils are friendly, polite and there is a harmonious atmosphere in the school."
- "Pupils say that homework tasks extend their current learning and provide additional challenge."
- "Pupils appreciate the guidance their teachers give them and they say that they know very specifically how to improve their skills and knowledge."

Students are at the heart of everything we do. The positive relationships between teachers, parents and students have helped us to really sustain and drive significant improvements in recent years. We are very proud of our College and want to recruit a leader who will champion and celebrate our success, within the school and in the wider community.

Our Vision and Ethos

Our Vision: An inspiring College where every individual is supported and challenged to achieve personal excellence.

Our Aim: Is for everyone in our community to lead truly, deeply, happy, fulfilled and purpose-driven lives. Our curriculum is how we achieve those aims.

In feedback to the Lead Inspector during our last Ofsted Inspection, one parent summed up the ethos of the school as **“Encouraging the young people to love learning, be interested in the world around them, take care of it and take care of one another.”**

Our Staff

We are exceptionally proud of our staff here at Uckfield College, both teaching and non-teaching. They are an amazing team who work together collegiately to support each other and help each and every one of us to be the very best we can.

Curriculum Intent

The History Department at Uckfield College wants its pupils to develop an ongoing interest and fascination with the past and an appreciation of human achievements. We want students to be enthused and intrigued by different aspects of History so that they might ask their own thoughtful questions of the past and so they can make considered and well communicated responses to different material. They might understand how our society and its values have developed as well as appreciate the diverse nature of different people groups and how they have evolved in their culture, government and leadership over time. In doing so, pupils learn about major events and issues in British, European and World History. Students also understand the work of the historian, the use and problems of evidence and the development of historical thought and interpretation. We encourage students to question the actions and motivations of those who have lived before so that they can make relevant judgements of their actions.

Curriculum

We offer a broad curriculum that seeks to help students gain a deep understanding of the world - by studying the past, our curriculum is designed to either provide links to the present and foster curiosity that students might ask the pertinent questions of what is going on in the world today. The curriculum is built around enquiries and enquiry-led activities - students can prepare for lessons but also are expected to investigate and uncover answers to questions through different activities.

The curriculum for History supports the focus on strong moral values - enquiries require students to engage positively in material and question the actions and motivations of those who have lived before. Our Key Stage 3 curriculum focuses on enquiries that include a range of studies such as Benin, the Medieval village, the Holocaust and political equality in Britain. There is a strong focus on key terms and vocabulary, oracy activities and debate, as well as activities that help students to think hard and reflect judiciously.

Accommodation

The Department is housed in four specialist classrooms. Resources are stored in several locations within the History wing.

Resources

- All rooms have a digital projector with speakers connected
- The College is networked and digital resources are openly shared
- All teaching staff are currently issued with a free Chromebook. To enhance learning, all students have Chromebooks (Years 7 to 11) or their own device (Sixth Form).

History Provision

Key Stage 3 Students study topics ranging from “What do great historians do that makes them great?” to “How has India been shaped and affected by the experience of empires in the last 5 centuries?” with two lessons each lasting one hour per week. We combine enquiry based learning with depth studies and our contact time allows us to offer a wide variety of skills and content. Throughout the two year Key Stage, students complete regular assessments which test their knowledge, writing and source skills. All classes are mixed ability.

Key Stage 4 Approximately 120 students each year choose to study our Edexcel GCSE History course; these students are usually taught in 5-6 different class groups. Students receive 5 one hour lessons per fortnight. Students study Medicine Through Time and the British Sector in the Western Front for Paper 1. The Depth study unit for Paper 2 encompasses the American West unit as well as a study of the reigns of King Richard and King John. For Paper 3 we teach the German 1918-1939 Interpretations unit.

Year 12 and Year 13 There are typically 10-12 students who take A-level History. Students follow the OCR syllabus.

Additional Information

The aim of the Department is to try and make History as interesting, enjoyable and accessible to all as possible. We perceive History as a rigorous intellectual pursuit so we encourage students to be curious, explore in depth and reach judgements. We acknowledge how the study of History expands the mind through critical thinking, evaluating and reasoning. For us, History gives a sense of the past and a context to today's society. It is about people and how they act, and so encourages tolerance and open mindedness. It also raises issues of a controversial and sensitive nature and in so doing responds to the demands of Citizenship and subject relevance in the curriculum. The Department aims therefore to continue to develop a rigorous curriculum that challenges all students, provides access where needed and enriches their understanding of both History and the world in which they live.

The department has developed high quality resources to support learners in each stage of their curriculum and skills development. Colleagues regularly share and develop ideas, work collaboratively in their planning and follow schemes of learning that are regularly reviewed and enhanced. Lesson resources are openly available for students to review and access their learning throughout the year.

Departmental meetings are scheduled at regular intervals. They are lively and constructive, as our aim is to work together towards moving the Department forward and continually strengthening teaching and learning. The Department regularly seeks to use specialist subject knowledge, build in the use of historical writing and be informed by research in our practice. We pride ourselves for being a friendly, sharing, supportive team, dedicated to stimulating and motivating the students in our care.
