Teacher Application Pack

DEPUTY HEAD OF SCIENCE (CHEMISTRY SPECIALISM)

Salary: MPS/UPS

Starting: September 2025

Bournemouth School for Girls, Castle Lane West, Bournemouth, BH8 9UJ | 01202 526289 | office@bsg.bournemouth.sch.uk | www.wearebsg.uk © Bournemouth School for Girls 2024

WELCOME TO BSG

Dear Colleague,

Thank you for your interest in our post for Deputy Head of Science (Chemistry specialism). You have taken your first step to becoming part of a special community that has now served Bournemouth for over a century.

At Bournemouth School for Girls (BSG) we support the development of the whole student, including providing them with exciting educational opportunities in and out of the classroom.

From Year 7 to Year 13, we are fortunate to have students who are truly eager to learn. Our young people thrive here as we feed their curiosity, guide their ambition and ensure they become positive citizens in wider society.

We are delighted that our strong curriculum and outstanding support by our staff continue to facilitate superb exam results at both GCSE and A Level. We are looking for a new colleague that will join an experienced and supportive department and lead the delivery of an exciting science curriculum to a new generation.

We have a successful and comprehensive CPD programme for ECTs as well as more experienced colleagues and welcome applications from colleagues with suitable experience for this post.

We pride ourselves on supporting our staff's wellbeing and hope you'll note the generous package of support and conditions for our teachers.

Please read this application pack to get a more detailed view of the science department and our wider school. The post of Deputy Head of Science is a key one and I am keen to hear from you if you believe you have the qualities and skills necessary to continue the work of this excellent department. We look forward to receiving your application. If you have any queries about either the post or the school in general please do not hesitate to contact us and we will be pleased to help you.

fand Sins

Mr. David Sims, Headteacher

BOURNEMOUTH SCHOOL FOR GIRLS

About BSG

Founded in 1918, Bournemouth School for Girls is an 11-18 selective girls' grammar school and Sixth Form in the heart of Bournemouth. BSG currently has around 1200 students on roll which includes those in our Sixth Form. It provides students with extensive academic and extra-curricular activities from Year 7 all the way to when most leave us in Year 13.

The school is academically successful, and is 8th highest in England's Southwest region, according to the latest Sunday Times Parent Power Survey. The school was inspected by Ofsted in May 2024 and judged to be outstanding in all areas. The inspectors summarised the ethos and atmosphere of the school as follows; "Bournemouth School for Girls is a joyous place. Pupils flourish academically and socially. They are passionate about their learning and embrace the multitude of wider development opportunities that the school provides."

The school's vision is: *The Best for Our Students, The Best from Our Students* and the curriculum in place ensures that students are provided with the best opportunities to prepare them for their future.

BSG offers students a broad and balanced curriculum from Key Stage 3 up to Key Stage 5, including lessons in sciences, performing arts, art, humanities and technology subjects. We encourage students to maintain this breadth in their KS4 studies where our students study GCSE subjects in Years 10 and 11.

As a selective school, the academic ability of the students is high and we try to ensure lessons go beyond the national curriculum and support further progress at each key stage.

The school has a comprehensive pastoral system in both the main school and Sixth Form, with our tutor groups split into six school houses: Austen; Curie; Franklin; Parks; Rossetti and Shelley, all named after influential and inspirational women from the 19th and 20th centuries. Each house is led a Head of House who supports students' pastoral needs with the support of form tutors. Each year, houses run their own charity weeks to raise money for their chosen charity. Heads of House also deliver PSHE lessons to all students in their house and deliver the RSE curriculum to support their personal and social development.

We are very proud of our extensive extra-curricular offer for students. There are over 50 clubs and activities which are run by our staff voluntarily in lunchtimes throughout the week. Students can develop knowledge and skills in their passions including clubs in music, drama, sport, adventure, STEM and crafts. We hope that applicants will feel able to support this programme.

By providing this curriculum to students, the school upholds its three key values:

Work Hard | By providing a broad, balanced and academically challenging curriculum.

Be Kind | By providing excellent pastoral support and social education.

Be Ambitious | By guiding students to develop skills and knowledge beyond the classroom and for their futures.

Working at BSG

BSG is a fantastic workplace that cares for and supports its staff professionally as well as creating conditions that are generous to support wellbeing.

These include:

- Friendly staff and commitment from staffing body and SLT to promoting and supporting staff wellbeing
- Able, motivated and polite students who are a privilege to teach
- Extensive CPD programme (for ECTs and experienced staff) to support individual professional development
- Provision of a teaching base/own classroom, where possible, if full time
- Teacher pension scheme
- 14% PPA time (FTE) compared to national minimum of 10% for all staff. (ECTs would still receive their PPA allocation on top of this)
- Access to wellbeing resources, discounts and other special offers for services
- Access to salary sacrifice benefits such as cycle to work, gym, technology, mobile phones, car leasing and workplace nursery
- Opportunity to work with other colleagues and students in delivering extra-curricular activities (lunch provided if you do)
- Student data targets are not part of appraisal/performance management
- Well-resourced departments
- Free use of a new and highly equipped gym (conditions apply)
- Free parking on site, including bays for electric car charging

Bournemouth School for Girls

ABOUT THE DEPARTMENT: SCIENCE

Head of Department: Ms Fiona Wright

The department has seventeen staff in total which includes fourteen teaching staff and three full time laboratory technicians. Staff are expected to teach all sciences to years 7 to 9 and their specialism to years 10 to 13. All lessons are one hour in length.

Key Stage 3

Years 7 and 8 are taught within a two-year KS3 programme and usually by one teacher. Year 7 begins with an introduction to science module undertaken by all students which is followed by a carousel of modules in each of the separate sciences. Year 8 follows a similar pattern of modules in the separate sciences and is taught by one teacher. The chosen modules are be-spoke to the science department and are assessed using a range of different criteria including tests, presentations, practical experiments and investigations. Each year group has 6 lessons per fortnight.

Key Stage 4

Students begin their GCSE sciences in year 9 and we follow the AQA specification. All students study the separate sciences. Each teaching group is taught by two teachers with different specialisms in 7 lessons per fortnight. The following topics in the separate sciences are taught: In biology cells and animal organisation; in chemistry atomic structure, chemistry of the atmosphere and using resources part 1; in physics atomic structure, waves and space.

Years 10 and 11 are taught chemistry by specialist members of staff in 7 teaching groups. In year 10 each teaching group has 4 lessons per fortnight and in year 11 each teaching group has 3 lessons per fortnight.

Post-16

At A Level the students follow the OCR specification A, H420. A qualification which is a content-led course designed to develop theoretical and practical chemistry skills, knowledge and understanding. Chemistry is one of the most popular subjects at the school. We consistently have well above the school's average number of students studying the subject and have 3 sets in year 12 and year 13. Each class has 9 hours per fortnight split between two teachers The outcomes of learners in the department are very high with 48% of students achieving A*/A grades in 2024. Many students go on to courses at a higher level which contain significant chemistry content.

We have the benefit of a wide range of materials in the department, allowing lessons to be interactive and students to be challenged. Laboratories have had new Promethean interactive panels installed.

The science department has close links with other departments, and we work closely with other colleagues to deliver extra-curricular activities. For example, working with Maths, ICT and D&T to deliver STEM activities. We are a collaborative department and work together as a team to promote science and scientific understanding with the BSG community. Our vision statement *'to encourage and stimulate the natural curiosity of learners at all levels*' is at the forefront of all we do.

ABOUT THE POST

We are looking for an experienced teacher of chemistry to join the department as the Deputy Head of Science and also lead chemistry across the department. The role also includes responsibility for science teaching and learning. This will provide an exciting and challenging opportunity to help build upon the existing high standards of our Science Department.

The ideal candidate will be a teacher who can inspire and bring out the best in all our students and staff.

We believe the following qualities are essential in the successful applicant:

- an excellent classroom teacher
- the ability to gain trust and respect of school staff, pupils and parents
- outstanding subject knowledge with an ability to share this with pupils in an exciting and academically rigorous way
- the ability to teach Chemistry to A Level and ideally middle leadership experience.
- evidence of recent relevant professional development and commitment to continued professional learning
- outstanding communication skills, both orally and written
- well-organised and totally reliable
- · good knowledge of current issues relating to teaching and learning
- the ability to work under pressure
- loyalty and commitment to the team
- flexible in approach and able to see the big picture
- enthusiastic and able to bring new ideas to the school and department
- an awareness of current developments in science teaching.

The Application Process

We look forward to receiving your application by the deadline of 9am on Monday 24 March.

This should include:

- a completed application form
- a letter of application outlining your readiness for the role of Deputy Head of Science at our school. We
 are particularly interested to hear of any initiatives you have been involved in, assessing your contribution
 and its impact.

We plan to interview for this post on Wednesday 2 April. If you have not heard from us two weeks after the closing date, you may assume your application has been unsuccessful on this occasion.

If you have been shortlisted by the interview panel, you will be contacted by email and/or at your home address to attend an interview, together with information about the interview process and any other documents you will be required to bring.

Bournemouth School for Girls is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Any successful applicant will be required to undertake an Enhanced Disclosure check by the Disclosure & Barring Service. In line with KCSIE 2024, all applicants will undergo checks on social media and online accounts to help assess suitability for the role.
