

Dear Applicant,

Thank you for showing interest in the exciting and important role of Deputy Head Teacher at Ansdell Primary School.

If you are...

A brave explorer.

A Knowledge gifter

A friendship nurturer

A child motivator

A caring leader with a good sense of humour

A Creative thinker

A Smile giver... Then you might be the right

Deputy Head for us!

Our magnificent children really appreciate each other and our teachers, who help us all to explore, embrace, endeavour and excel. We especially love English where we can express ourselves to wherever our imagination takes us. All our teachers help us to love learning about different topics too and we want someone who values everyone and can teach and motivate us all to enjoy all our lessons. We don't give up because, if we struggle it is important to us that our teachers reassure and encourage us. They are kind and they listen to our ideas.

We enjoy music, art, sport and the outdoors at Ansdell too - we especially like clubs. We would like a Deputy Head Teacher, who will bring new bright, creative and caring ideas. Somebody who is fair to everybody and embraces our school rules (Safety, Respect and Learning).

If it is a rainy day outside nobody notices here
because the sun always shines in our school.

We hope you decide to apply yours faithfully✓

Isla

Phoebe + Max (School Councillors).

The children of Ansdell Primary School.
