**Deputy Headteacher**

Recruitment Pack

February 2025

# Headteacher's Welcome

Welcome to Bristol Cathedral Choir School.

This school is a special place. It is the oldest school in Bristol with a rich musical tradition and a distinctive Christian ethos. It is one of the few remaining state choir schools in the country, educating choristers for Bristol Cathedral Choir for over 800 years. We are proudly comprehensive and inclusive, serving pupils from all areas of the city and of all faiths and none.

This is an exciting opportunity to join a talented and highly committed leadership team at the beginning of a period of significant change at the school – moving the school from delivering a good level of education to something that is genuinely world class. This will be tough to do but also very rewarding. If this excites you, we'd like to hear from you.

This pack will give you a first insight into our school, including our collaborative work within Cathedral Schools Trust. But I would encourage you to visit BCCS to meet our team and to learn more about the role.

I look forward to welcoming you into our school.

# The Role

## Deputy Headteacher

We exist to provide a world-class education for the children of Bristol – so that they leave with a deep understanding of the world around them. The job of the senior leadership team is therefore to create a world-class school where students, regardless of background or ability, thrive beyond what is thought possible. We will know we will have achieved our aim when we are internationally recognised as a place of excellence.

The Deputy Headteacher will play an instrumental role in creating a world-class school. The specific remit for the role will be determined after appointment as, fundamentally, we are looking for the **right person**. The successful candidate will have the opportunity to co-design the final job description with the Headteacher.

## Job Details

The salary scale offer is L18-22 on CST Leadership Spine (£75,675 - £83,464 for the 24/25 academic year).

# Life at BCCS

**At our school, life is built around three key pillars.**

## **Ethos**

## **Curriculum**

We are an academic school. Students study a broad range of subjects from the arts, performing arts, humanities, sciences and languages. We emphasise the teaching of 'Powerful Knowledge' – ideas within disciplines that profoundly explain the world around us and break students free from their lived experience.

# Workload and Wellbeing

## Kindness

To think of others before ourselves, to be considerate of the needs of everyone in the classroom, staff and pupils alike. To encourage and support everyone in our school to feel that they belong and are welcome, to show compassion to those in need and practice forgiveness.

## Courage

To always try our best, to be determined, to try new things, to take risks. To learn from failure, to persevere and to take responsibility. To stand up for the oppressed and marginalised, and to speak out against inequality and injustice

## Hope

To be positive, to learn from our mistakes, to look after ourselves and nurture our talents. To encourage and support others to see their potential and help them reach it. To believe and act that what we say and do matters, and can make a positive difference to ourselves, others and the world we live in.

We are a welcoming and inclusive school for all, no matter of cultural, ethnic or religious background. Our community values and celebrates diversity, drawing inspiration from The Book of Revelation: a multitude gathering, from “every nation, tribe, people and language”.
