We are seeking an exceptional Deputy Headteacher to join Christ Church CE Academy at an exciting point in its journey. This is a role for a values-driven, aspirational leader who believes passionately that every child—regardless of background—deserves an outstanding education, rich opportunities and the highest expectations.

Our children are truly delightful: curious, warm and eager to learn. They are supported by a hardworking, committed staff team who care deeply about one another and about the community they serve. You will work alongside supportive parents and carers who value education and partnership, and within the strong, forward-thinking framework of our Local Academy Board and Enhance Trust, which provides challenge, encouragement and high-quality professional support.

We are looking for a Deputy Headteacher who will lead with integrity, courage and compassion; someone who can inspire excellence in teaching and learning, strengthen inclusive practice, and help shape a school culture where ambition, hope and flourishing sit at the heart of daily life. Grounded in our Christian vision and unafraid of challenge, you will play a key role in driving sustained improvement and ensuring every child is enabled to “live life in all its fullness.”

We are looking for: an inspiring and reflective leader with a strong moral purpose and high aspirations for all. You will be an excellent classroom practitioner with a clear understanding of effective teaching and learning across the whole Primary Age Range, and the ability to lead and support others to improve practice. You will be resilient, compassionate and solutions-focused, with the confidence to work in a challenging context and the humility to learn alongside others. A commitment to the distinctive Christian character of our school and to inclusive, child-centred leadership is essential.

You will be joining a warm, ambitious school community where children are a joy to teach, staff work hard for one another, and parents are supportive and engaged. You will benefit from the backing of a forward-thinking Trust that invests in professional development, values collaboration and supports courageous leadership. This role offers a rare opportunity to combine meaningful leadership responsibility with significant classroom practice, to shape the future of the school, and to make a lasting difference to the lives of children and families. Teaching commitment will be **0.5**.
