

We wish to appoint an outstanding individual, able to inspire and motivate both colleagues and students at our dynamic school built on traditional values in the beautiful setting of Hillside, Southport.

The Deputy Headteacher is a key member of our academic and pastoral team leading the school in partnership with the Headteacher and dedicated Senior Leadership Team. We seek not only an outstanding classroom practitioner, leader and strategic planner but someone able to deal with parents, students and colleagues with integrity, experience and kindness.

Whilst the post inevitably involves challenges and an ability to manage difficult situations, we require our Deputy Headteacher to stay calm, positive and be a consistent role model to all in our community.

Greenbank is a high achieving, all girls, 11-16 school and this is an opportunity to have an impact in further improving the life chances of all through your innovation, creativity and design.

Your well-being and growth is our priority and will be supported by the Trust.

Please read the Deputy Headteacher Job Pack and come and visit or talk to us if you are interested.
