Message from the Chief Executive

Dear Applicant

Thank you for your interest in this exciting position within Cumbria Education Trust (CET).

It gives me great pleasure to introduce you to CET and tell you a little about us, our Academies and the journey we are on.

The Trust has grown since its formation in 2015. We now encompass 13 Academies, more than 4,000 students and in excess of 700 staff. We've grown quickly and fully appreciate the responsibility that is placed on us to ensure all our young people are given access to high quality education.

Our ten primaries, three secondaries and West Coast Sixth Form have a shared vision. That is to enable every young person to reach their potential and achieve the success they deserve by providing an innovative and inspiring teaching experience.

Whilst each Academy has its own individual ethos and personality, we are firmly of the belief that Academies are better when they work together. Collaboration makes us stronger and sharing best practice from Longtown to Tebay, or Whitehaven to Brampton is part of our everyday practice.

Our motto is, be the best you can be, our values Respect, Responsibility and Resilience with our young people always coming first.

The past couple of years have tested all educational settings and we have certainly had to demonstrate plenty of Resilience. But we have continued to move forward, never losing sight of our mission to continuously improve our Academies.

Our expertise has also grown as we have refined our ways of working to make the most of the depth of talent at our disposal.

Through our investment in staff, we are developing more excellent Academy leaders and teachers. There have been many notable achievements along the way. Four of our primaries and one Secondary have now been judged Good at their first Ofsted inspection after joining the Trust, our ability to drive standards across all our Academies is enhanced and we continue to invest in facilities to widen opportunities for all.

Please have a look through the following pages which will hopefully give you a sense of what the trust and our Academies are all about.

If you believe you can make a positive contribution to the development of CET and have a real drive and commitment for school improvement, then we would be delighted to hear from

Lorraine Hughes, CEO
