Notley High School & Braintree Sixth Form

Deputy Headteacher

Required: September 2022

Pay Range: Leadership Point

Notley High School and Braintree Sixth Form is a large secondary school with a clear vision of "working together, achieving together". A unique opportunity has arisen for the successful candidate to play a key strategic role in shaping the next stage of the school's journey.

Although there is much to celebrate at Notley High School & Braintree Sixth Form, the school has faced a number of challenges culminating in a 'serious weakness' judgment in February 2020. Significant developments have been made since the Ofsted Inspection and the school is ready to move to the next stage of the improvement journey.

Notley High School & Braintree Sixth Form are looking to appoint a Deputy Headteacher. The successful candidate should have considerable experience in secondary education who knows what outstanding provision and academic progress looks like. We want a collaborator, who not only will work closely with the Trust schools, but who has a genuine desire to work openly and collectively with the local primary and secondary schools.

This is a fantastic opportunity for an experienced Assistant Headteacher to progress on their leadership journey towards their first headship role, who is looking to work collaboratively in a supportive Trust. The specific responsibilities will be determined based on the experience of the successful candidate and needs of the school.

We encourage you to contact our Deputy CEO & Director of Secondary Education, Rob James for further information and/or to arrange a visit to the school week commencing TBC:

Our People Strategy

We aim to transform teaching, leading, and learning to fulfil our commitment to giving our children, young people and our communities, the high-quality education they deserve. Each facet of our improvement strategy recognises the need for schools and the wider MAT to recruit, nurture, grow and plan for the succession of a high-quality workforce.

We recognise the development (support and challenge) of leadership at all levels as the key to sustainable school improvement and this is evident in our ongoing financial and resource planning. Frequent and regular time with core improvement team members provides our school leaders and those with leadership responsibility with mentoring, coaching and additional capacity to drive school improvement day to day and over time. There is a shared understanding that school leaders will then work with us to similarly develop staff within their schools, creating a high-quality, committed workforce across our Trust.
