On behalf of the Governors of Park Primary School we are looking for a Deputy Headteacher to join our 'Good' school. This post has arisen as our current Deputy Headteacher has decided to retire at the end of the academic year.

Park Primary School is a popular, happy, maintained school and is privileged to serve our caring and diverse community. We offer an amazing learning environment – both inside and out – including our own Forest School.

The Governors are seeking to appoint a Deputy Headteacher who is able to build on the strengths that our Headteacher, our outgoing Deputy Head Teacher and the staff have achieved, but also to bring fresh ideas to continue our drive forward. The person specification provides a more comprehensive list of the qualities we are looking for, but in essence, our new Deputy Headteacher should be a strong, approachable, compassionate and supportive leader with both a vision for the future and enthusiasm for the ethos and values that have ensured the success of our school. You will be committed to monitoring and improving the quality of teaching and learning, be aspirational and passionate about providing our children with the outstanding care and education they deserve. We would like to appoint someone who is driven, self-motivated and who has the experience and personal qualities to have a positive impact on the further development of our school.

There will be a teaching commitment as part of the role, and our new Deputy Headteacher will be an outstanding teacher and excellent role model to children and staff. You will be someone who can maintain strong links within the community and engage well within the school and with parents. We have a fantastic team of skilled and dedicated staff, and a supportive governing body who work together with the shared aim to do the very best we can for our children.

Kind regards,

Diane Smith  
Chair of Governors
