# Round Hill Primary School

## School Description (March 2024)

Round Hill Primary School is a large group 4 suburban school located near the town centre of Beeston which is south west of Nottingham. The school draws pupils from a mixed catchment area with a large proportion coming from private housing.

The school has a new Pupil Admission Number (PAN) of 75 and the current roll of 525 children is arranged across 18 mixed aged classes.

The school is about to become part of Equals Trust and we work closely as part of a collaboration with other schools in the local area.

The school has extensive grounds which include a wild area, a nature garden, two football pitches and a large hard surface for playtimes. As well as the spacious teaching areas, there is a large assembly/gym hall, a multi-purpose dining area, an audio-visual room and a school library. The school is located on the same site as the local library this means that the school has easy access to an invaluable resource.

The most recent OFSTED inspection in June 2023 judged the school to be a good school. [The full report is available on the school website.](#)

The Senior Leadership Team (SLT) is made up of the Head Teacher, a Deputy Head Teacher, and an Assistant Head Teacher - We also have Team Leaders for each phase in school.

Here at Round Hill we tailor our lessons to meet the needs and interests of our children to enable each individual to grow and develop their own curious minds and talents. We offer a broad curriculum with many extra-curricular activities for children to enjoy and excel in. We are particularly proud of the variety of musical instrument and sporting opportunities available to our children.

Our classroom practise is based around Rosenshine's Principles of Instruction using daily reviews, high quality models, teacher/ student guided practise leading onto independent practise by pupils. Our strong educational philosophy is based on encouraging our children to be independent.

The Governing Body is extremely supportive of the school and parents are very welcome in the classrooms to help the teachers. We are very much an open school with a strong community focus.
