Application and Selection Process

Wray Common Primary School

"Wray Common has been an excellent start to my teaching career. I feel very lucky to work in a school with high expectations of its staff and children. When meeting other teachers, I am aware of the rigour, support and excellent learning opportunities that we have. It is inspiring to be surrounded by staff members who have the same passion for education."

Dear Candidate

I am delighted that your interest in being a Deputy Headteacher here at Wray Common has taken you this far.

The staff and governors of Wray Common have a united passion for developing a genuine community school which provides an education of such quality that the children exiting our doors in Year 6 leave with significantly better life chances than when they first entered. We take pride in placing children at the heart of everything we do and celebrate the fact that our children are all different, special, valued and safe while learning and succeeding. We believe that all children should experience outstanding learning opportunities that will encourage them to grow socially and personally. Our children are looking for a Deputy Headteacher who will provide care and challenge of such quality that their current enjoyment and achievement at Wray Common will be yet further enhanced.

A large, friendly and innovative school, Wray Common is highly respected by parents, children and staff. With quality of teaching and learning as our focus - we pride ourselves in our ability to develop teachers and leaders at all levels, investing heavily in coaching, teacher-led research, leadership develop programmes, cross-school development and other professional learning opportunities as appropriate to the individual. The Teacher Development Trust has evidenced "a very strong culture of peer support in the school, with high levels of trust".

This level of trust, collaboration and support can also be seen in our work with our partner schools within the Greensand Multi-academy Trust of which we are a founder member. We are a group of like-minded local schools working together to enrich children's lives and to create exceptional developmental opportunities for all our staff.

This position will be focused on raising the standards of teaching and learning across the whole school. While there may be some limited teaching commitment involved, this is not intended to be a class-based role. What it does require is a desire, passion and ability to inspire and develop children and adults so that "better life chances" is a reality not an aspiration.

Leadership is not an easy role in any school and whilst we are very focused, we are also supportive, positive and make time to laugh. Having a strong team culture is what the staff pride themselves in.

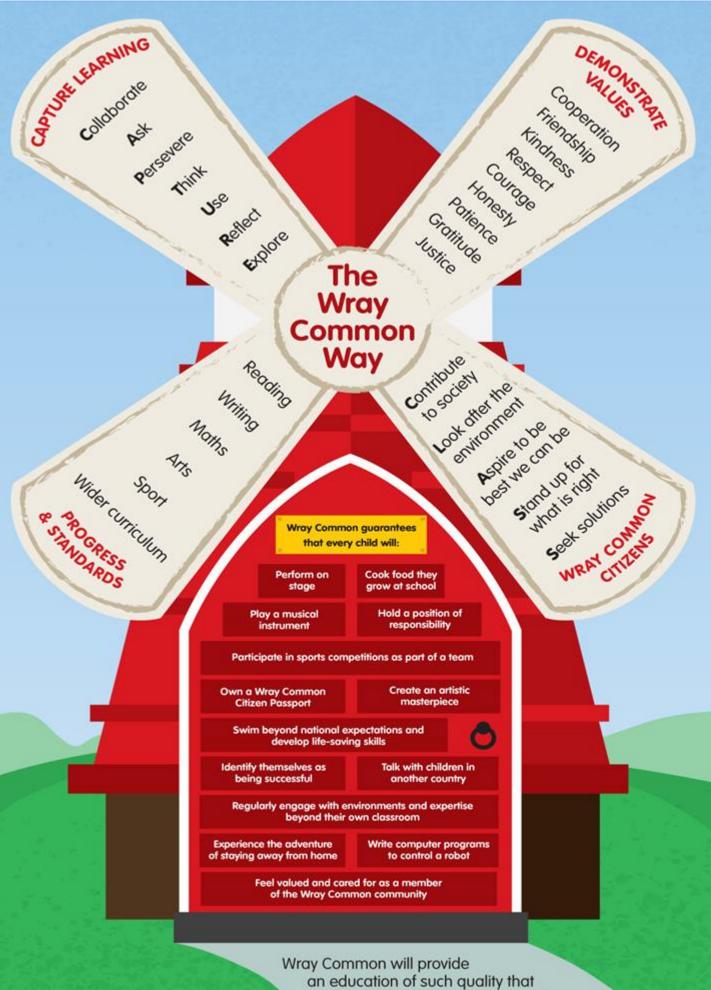

A completed application form needs to be returned by 9am on Tuesday 4^{th} May. We will contact you on the same day if you are successful in being selected for interview. Interviews are expected to take place on Friday 7^{th} May and/or Monday 10^{th} May.

I have tried to give you a flavour of our school in this application pack, but to find out more and to satisfy yourself that this is the right school for you, please do visit us - I am sure that you will find it a worthwhile experience. Please telephone the school office on 01737 761254 or email us (info@wray-common.surrey.sch.uk) to let us know when you would like to come in. If a visit is not possible for some reason, please do request to have an informal chat with myself before application.

Yours sincerely

Lloyd Murphy

Headteacher of Wray Common and Deputy CEO of Greensand MAT

Wray Common will provide
an education of such quality that
every child will leave the school
with better life chances than
when they first entered

THE WRAY COMMON WAY

WRAY COMMON WAY

The Wray Common Way came out of a Strategic Review we started last May and have now completed. The core part of this Review was to ask ourselves: What is Wray Common Primary School about.... and more importantly what do we want to be about moving forward? ...so that the Wray Common community - staff, Governors, children and parents all share a common understanding of what we're trying to achieve and what is special about us as a local community school. This is what Wray Common is about - this is us. This also provides a blueprint, a foundation upon which future decisions and priorities need to be based. The Wray Common Way will be visible to everyone and we will live and breathe it, so that every child who exits this school leaves with better life chances than when they first entered.

PROGRESS and STANDARDS

Regardless of background, challenge or need, our mission is to ensure that every child makes substantial and sustained progress while at Wray Common. We make no apologies for placing Reading, Writing and Maths at the core of our curriculum. Our publicly shared results at the end of the last academic year were the best results Wray Common has ever achieved. But we also strive for excellence in all curriculum areas – examples of this commitment would include our now sustainable high quality swimming provision which is resulting in the vast majority of our children achieving the Year 6 national expectations by the end of Year 2, and our extension of specialist music teaching this year into Year 2 ensuring a continued development of our excellent music provision.

CAPTURE LEARNING

A key aim is to get children to be active in their own learning – often physically active, yes, but also in their mind. Wray Common is about developing children who are active in their learning, not passive; Wray Common children CAPTURE learning. They take ownership of their own progress, of their own standards by Collaborating, by Asking, by Persevering, by Thinking, by Using what they know, by Reflecting and by Exploring. If the children are successful at these, they will progress well and importantly, they will develop the skills, attitudes and behaviours which will support them in making continued progress – beyond the walls of Wray Common into secondary schools and even further. It should be noted that Wray Common has always developed lifelong learners, with our 6Rs being a key vehicle for this. We feel that our CAPTURE model better reflects our active approach to learning at Wray Common and supports and challenges children to take greater ownership of their own learning. Our CAPTURE model is about what we do already, but doing it even better.

DEMONSTRATE VALUES

As part of the Strategic Review, we asked ourselves whether our Wray Common Values should remain at the core of what we're about. The answer was a resounding yes – absolutely. Our Wray Common Values are immersed in everything we do. While we always utilise opportunities throughout our curriculum to teach children about these Values, we as a community of adults, we as a community of role models, demonstrate these Values by leading our lives the way we do, so that children develop a positive habit of thought, a positive habit of interaction and a positive habit of behaviour and respect.

WRAY COMMON CITIZENS

Demonstrating Values leads smoothly onto our last sail - Wray Common Citizens. As well as demonstrating values, we want children to be a CLASS act, we want Wray Common to be a CLASS act. We want everyone to: Contribute to society; Look after the environment; Aspire to be the best we can be; Stand up for what is right and Seek solutions.

WRAY COMMON GUARANTEES

To complete our "Wray Common Way", we have established a set of guarantees for every child - because this is Wray Common - this is no ordinary school - this is what we're about. We have made this bold move to ensure that what we have decided is important for our children, actually happens and continues to happen.

CONCLUSION

Wray Common Primary School is and will continue to be a high performing academic school. But it is and will continue to be much more than this. Wray Common is: a series of memorable experiences; a community of care and support, and a home for all to learn and succeed. This is our way, this is the Wray Common Way.
