THE SCHOOL

A SCHOOL TRANSFORMED

Ofsted called us "a school transformed" and honestly, that sums it up better than we could. Brooksbanks has been part of Elland for generations. We're the second largest comprehensive in Calderdale, with around 1,500 students and our own sixth form. We're proud of where we've got to, but we're more excited about where we're going.

In 2022 we joined Together Learning Trust, and that's opened up new opportunities, for our students and for our staff. We're a school on the move, and we want people around us who want to be part of that.

The community spirit here is hard to miss. Students, families and staff genuinely care about this place, and that shows up every day, in classrooms, on the sports field, in performances and in the relationships that make a school feel like more than just a building.

Whether you're a teacher or support staff, if you're looking for somewhere with real community spirit, a team that has your back, and a school with genuine momentum, we'd love to hear from you.
#spiritofbbs

This is a school transformed. Pupils feel safe and are proud to be part of this vibrant school. They are welcoming to all, positive and speak confidently about their learning. Older pupils say how much their school experience has improved.

When schools collaborate, incredible things happen.

Together Learning Trust is a group of schools that genuinely like working together.

That might sound like a small thing. It isn't. Nobody in our schools is working in isolation, trying to solve problems that someone two miles away has already solved. Expertise shared across nine schools belongs to all of them.

Primary schools, secondary schools, sixth forms and a special school that's around 5,800 young people across Calderdale and Kirklees. Rooted in West Yorkshire. Built around a belief that when schools work like this, something remarkable happens for children.

That belief comes from a clear set of values: integrity, excellence, and joy. Not about how children should live, but about how our Trust leads, how decisions get made, how people hold themselves to account and what it means to do this work well.

Each of our schools has its own identity, shaped by its community and its children. Being part of our Trust does not change that. It adds to it.

DAVID LORD, CHIEF EXECUTIVE OFFICER

Working with such creative, professional and dynamic staff from other schools in the trust has helped make my job much more enjoyable and manageable, whilst reducing workload."
