

FOR INFORMATION

Cirencester Kingshill School

DESIGN AND TECHNOLOGY TECHNICIAN

Cirencester Kingshill School is a very busy environment and the staff are friendly and helpful, we currently require as soon as possible a Design and Technology Technician.

In Design and Technology pupils combine practical and technological skills with creative thinking to design and make products and systems that meet human needs. Through Design and Technology pupils develop confidence in using practical skills and become discriminating users of products. They learn to think creatively and innovatively to improve the quality of life and solve problems as individuals as well as part of a team.

There are six specialist teaching rooms for 3D Design, Systems and Control, Food and Catering, Textiles Technology, Graphic Products and the BTEC Tech Award in Art and Design Practice. We are looking to appoint someone to the team to support the preparation of materials and teaching resources in mostly 3D Design and Systems Control. The faculty has a laser cutter, 3D printer and 3D vertical CAD / CAM router and a knowledge or interest in CAD / CAM would be advantageous in the support of manufacturing products designed by pupils.

Holidays

The post is term time excluding Inset days which totals 43.60 weeks of the year. This includes entitlement to annual leave and 8 bank holidays. Holidays must be taken during the school holidays.
