THE HOLLINS

Design Technology (DT), Art & Maintenance Technician

RECRUITMENT PACK

WELCOME FROM THE CEO

Dear Applicant,

Thank you for showing an interest in the post of Design Technology (DT), Art and Maintenance Technician at The Hollins. The LET Education Trust is a cross-phase multi-academy trust based in Lancashire with both primary and secondary schools as members.

We believe that every child deserves the best education and we create opportunities and experiences for all of them to reach their potential. Building 'cultural capital' is vital for our pupils and this occurs from reception up to year 11 through trips, activities, projects, events and residential, both at home and abroad. We are ambitious for our pupils, meaning we are always striving for excellence and supporting career aspirations through a culture of constant improvement.

Each of our schools is different and this is something we value and celebrate. The uniqueness of each school is supported by strong central services and a school-centred and approachable central team. Most colleagues work in one school but some work across a range of schools where their skills and abilities are needed.

Collaboration is key for LET schools and at the forefront of this is staff development. Joint INSET days with keynote speakers, middle and senior leader training and subject links occur across and between schools and phases. To ensure consistency of approach and sharing of good practice we have termly meetings for our safeguarding leads and our SENCOs, sharing this information is proving invaluable. School to school liaison around transition is vitally important in ensuring our pupils arrive at secondary school with the necessary skills and helps to ensure a smooth start to year 7.

We play a part in Initial Teacher Training as part of our remit through the Embrace SCITT. We have successfully trained primary and secondary teachers over the last 10 years with a large number employed locally and within the LET Education Trust.

I will be retiring from the post of CEO at the end of August, after four and a half years and my successor, Jeniffer Sing, currently Director of Education at All Saints Multi-Academy Trust in Liverpool, will be taking up the post.

If you have the highest standards of professional endeavour, integrity and ethics and would like to be part of our growing MAT, I look forward to receiving your application. You can find out more about our Trust at www.let-edu.org and more about The Hollins at www.thehollins.com

I wish you all the very best with your application.

WELCOME FROM THE HEADTEACHER

Dear Applicant,

Thank you for your interest in Design Technology (DT), Art and Maintenance Technician at The Hollins. We are a fully comprehensive school serving a diverse community across Accrington and beyond. Many of our pupils face significant challenges, yet we are proud of the progress they make, thanks to the dedication of our skilled and caring staff. We are committed to supporting all learners, especially those who are vulnerable or have additional needs, and we offer a wide range of opportunities both in and out of the classroom. Professional development is a key priority for us, and all staff are encouraged to keep growing, whatever their level of experience.

This vacancy has arisen following the departure of the previous post-holder. We have combined two roles to create an exciting full-time opportunity—blending the responsibilities of a term-time Technology and Arts Technician with those of an Assistant Site Supervisor during school holidays. By restructuring in this way, we aim to attract a dedicated individual who will become an integral part of our support staff team. We are looking for someone who is enthusiastic about contributing to the life of the school and who shares our commitment to providing exceptional support for our pupils and staff. This is a rare and rewarding opportunity to join our vibrant school community and make a real difference.

Working as part of a multi-academy trust supports collaboration with other professionals and helps us enhance our practice. As part of the inclusive LET Education Trust, we are committed to investing in the future of our young people.

Please don't hesitate to get in touch if you'd like to drop by for a tour or just have an informal conversation.

We look forward to receiving your completed application form together with a letter of application.

Yours faithfully,
Mrs H Dougan
Acting Headteacher

THE HOLLINS

SAFEGUARDING AT THE HOLLINS

The Hollins, part of the LET Education Trust, is steadfast in its commitment to safeguarding and promoting the welfare of children and young people; we expect all staff and volunteers to share this unwavering dedication.

In accordance with Keeping Children Safe in Education (KCSIE), this position is subject to a robust vetting process:

- **DBS Disclosure:** As this role involves "regulated activity," the successful candidate will be required to obtain an Enhanced Disclosure from the Disclosure and Barring Service (DBS).
- **Rehabilitation of Offenders:** This post is not exempt from the Rehabilitation of Offenders Act 1974. However, certain "protected" convictions and cautions are "filtered" and do not need to be disclosed.
- **Self-Disclosure:** Shortlisted candidates will be required to complete a criminal records self-disclosure form before the interview.
- **Online Vetting:** In line with statutory guidance, the Trust will conduct online searches for all shortlisted candidates to identify any incidents or issues that may affect their suitability to work with children.
- **Right to Work:** To comply with the Immigration, Asylum and Nationality Act 2006, all shortlisted candidates will be asked to provide evidence of their legal right to work in the UK on the day of the interview.
- **Language Proficiency:** This role is identified as a public-facing position under Part 7 of the Immigration Act 2016. Therefore, the ability to fulfil all spoken aspects of the role with confidence and fluency in English is an essential requirement.

All appointments are subject to satisfactory references and medical clearances.

SUPPORT FOR OUR STAFF

Looking after our mental health

We have staff who are trained mental health first aiders who are ready, willing and able to support staff. You can also have a look at the wellbeing charter which you can find on the LET Education Trust's website vacancy page.

Quality staff professional development

We value staff development above all else and this engenders a sense of confidence and motivation for staff. We treat our staff like the professionals they are by engaging in the Disciplined Inquiry approach to appraisal and development, which gives staff the responsibility to consider their own individual needs in order to continue to develop and improve.

Measure and respond to staff voice

Our questionnaires allow staff the opportunity to let us know how they are coping with the demands of work, along with how they are coping generally. However, leadership doors are always open for continual conversations around this.

Quality behaviour systems in place

Our behaviour system is designed to support both pupils and staff to ensure consistency and support at all times. Our school believes that the certainty of a sanction and subsequent restorative conversations are extremely important for the smooth running of the school.

Driving down unnecessary workload

We strive to ensure that we support the DfE workload reduction with suggestions like ensuring that our calendar reflects generous department and CPD opportunities, not submitting regular lesson plans, no expectations that all staff will mark in a specified manner, and only collecting data that is purposeful and used multiple times.
