Highcliffe School

Dear Colleague,

I am delighted you are considering applying for a post at Highcliffe School, part of HISP Multi Academy Trust. Please find alongside this letter information, which, I hope, provides an insight to our school and the opportunities that await the successful candidate.

Highcliffe is a remarkable secondary school and sixth form of 1500 students. We are highly respected in our community, with whole generations of families coming here over the years. Former students, current students and their parents frequently speak of their powerful emotional bonds to our school lasting a lifetime. This is a result of our caring and aspirational ethos combined with our engaging curriculum and excellent extra-curricular opportunities, although our track record of exam success is surely another factor. Our students are lovely young people to work with who respond enthusiastically to good teaching and are keen to learn.

Former students go on to work in international finance, law, education, politics, engineering, medicine, science, and in the Paris fashion houses, or as great chefs, carers, artists, musicians, mechanics, gardeners and much more – but not before they have thrived at Highcliffe academically, creatively and socially. We have an excellent record of success placing students into the top universities in their chosen field. Every year for the last 12 years at least one of our Sixth Form students have gone on to study at either Oxford or Cambridge universities; In the last 3 years, 10 students have had the opportunity to progress to Oxford or Cambridge. Our Sixth Form achieved an ALPS Gold Award in 2024 for value-added outcomes inside the top 25% nationally. We have successful programmes for students accessing careers in medicine, the law and engineering. We are an outwardly focused community with extensive school links in France, Spain and Japan including a unique exchange programme with a school in Hiroshima.

Our teaching staff are highly experienced, knowledgeable professionals who work together superbly. Our SEND, pastoral, clerical, financial, technical and site staff, who also form a strong team, are extremely good at their jobs and committed to the school's success. We are a friendly, welcoming and supportive environment in which to work or learn, located in a great part of the country. As part of the HISP Multi Academy Trust we offer our team extensive opportunities for professional development; direct collaborative working with other schools in the Trust, and enhanced employee wellbeing benefits through the Trust's Schools Advisory Services package – including access to private GP appointments, 24 hour medical helpline, counselling, physiotherapy. Career progression routes are available associated with our development as a regional Hub for school improvement and professional development providing the local ECTE programme and as the local Hub for Initial Teacher Training through Inspiring Future Teachers. We are a happy and upbeat school, characterised by warm and trusting relationships between staff and students. We recently completed a £1.8 million capital project improving heating and hot water, and in December 2022 successfully entered the School Rebuilding Programme to replace 18 classrooms with brand new buildings, which we expect to take the first steps towards during 2026.

We have a strong focus on staff well-being and an exceptional in-house professional development programme for teachers, ensuring that Highcliffe is a positive and supportive working environment for our staff. Visitors and new staff remark on how we feel like 'one big family'.

We welcome applicants who share our ethos, bring outstanding professional skills and personal qualities, and have an unshakeable drive to make a difference to young lives through education. Unfortunately, we will not be able to contact every applicant who applies and take this opportunity to thank you for considering our school.

I look forward to hearing from you, but whatever your decision, I wish you all the best for your professional future.

Information about the area

Highcliffe School is ideally situated minutes from Highcliffe and Avon beaches, Mudeford Quay and Christchurch Harbour. A few minutes' drive or cycle away are the beaches of Bournemouth while Poole Harbour, a mecca for watersports, is approximately 12 miles away. As a result, sailing, kitesurfing, kayaking, paddle boarding, surfing and beach life are prominent parts of life in the area.

Highcliffe is also on the doorstep of the New Forest, meaning that equestrian sports, cycling, walking and running are also prominent features of local life. There is an extensive range of top-class pubs, cafes, clubs, theatres and cinemas throughout the area catering for people of all ages and tastes.

Highcliffe School is easily accessible from the urban centre of Bournemouth and Poole. With its large student population Bournemouth uniquely offers a multicultural city buzz combined with the relaxed South Coast surfing and holiday culture. London, the South East and the South West are easily reached by road or rail links. The European mainland is easily reached by ferry from Weymouth, Poole, and Portsmouth, while Bournemouth and Southampton airports offer continental and worldwide flights.

**Information about the School**

We encourage potential applicants to explore in depth the School's website which includes recent publications and a prospectus. Potential applicants are also encouraged to read both the most recent Ofsted reports which are available via the school website or directly from www.ofsted.gov.uk and the published performance data available on the DfES performance tables site. www.education.gov.uk/schools/performance

About this Role

This role will support our growing popularity for Product Design at GCSE and A Level whilst complementing our established team of Engineering teachers, and the wider ADT department staff. The role will include teaching Product Design at KS4 and 5 under the Design Technology endorsement and delivering GCSE Engineering Design (Cambridge National).

The department hosts an established curriculum of Fine Art, Textile Design, Graphic Communication, Art Craft & Design, Food and Nutrition, Engineering and Product Design. Many of our students opt for one or more of our subjects at GCSE and A Level making us a very popular successful department.

We currently offer through the Technology rotation at KS3: Product Design, Graphics, Textiles, Food and Engineering. There will be opportunities in the role to influence the full curriculum and teach across all age ranges including at A Level. As with all staff in the Art, Design and Technology department the ability to teach in other specialist areas would be an advantage (but not essential). By teaching across specialisms, we share and develop our good practice together as a team.

ADT Curriculum Area Information

The curriculum area of Art, Design & Technology consists of 14 teachers and 4 support staff.

Art and Design & Technology are taught in the purpose built Da Vinci Centre. A building of exciting concept designed to embrace Highcliffe school's commitment to an integrated approach to this area of the curriculum.

Features of the Da Vinci Centre include:

- A high and spacious atrium for exhibiting and celebrating student outcomes.
- Glazed and illuminated display provision along both sides of the corridors.
- Separate, yet interconnected, studios / workshops for Product Design, Graphics, Textiles / Printing, 2D & 3D Art, together with Food and Catering areas.
- Floor to ceiling glazed Key Stage 5 Art studio space.
- Bespoke ceramic teaching space housed within one of three spacious Art classrooms.
- Excellent Textiles Design equipment housed adjacent to the Textiles and Art spaces.
- Traditional dark room facility accommodated adjacent to the Art Studio.
- A spacious Computer Aided Manufacturing area complete with Laser Cutters, CNC Lathe, CNC Mill, 3D printers and CNC Vertical Router.
- Excellent provision for IT including three fully equipped computer spaces supporting Adobe creative cloud, and numerous other subject specific packages. Additionally, there is discrete access to computers across the curriculum area.

Curriculum

In Years 7, 8 and 9 students are taught in mixed ability groupings for Design and Technology gaining contact time for 4 hours a cycle. Art is taught in single hour lessons per week at KS3. A significant number of students achieve high levels of attainment throughout key stage 3 and many opt to follow GCSE courses in Art, Design & Technology starting in Year 10. GCSE courses in Art & Design - Fine Art, - Graphic Communication, - Textiles, Design, Art Craft and Design, we also offer Food, Preparation and Nutrition, Engineering and Product Design. Results often far exceed the national average.

Sixth Form Curriculum

Curriculum developments continue post 16 as new specifications are embraced and their popularity increases. We currently offer A Levels in Fine Art, Textiles Design, Graphic Communication, Photography and Product Design (Three Dimensional Design). Results are consistently strong with large numbers of students opting for courses in ADT, enrichment activities and extend their study time within the Da Vinci building in non-contact sessions.

Staff are highly motivated and passionately believe Art, Design & Technology should be enjoyable and play a prominent role in the life of the school. This is reflected in their enthusiasm for, and commitment to, the subject as well as the outcomes produced by their students. Being within an Art, Design and Technology curriculum area affords our students the ability to more easily extend the materials and methods with which they respond. We believe that creativity needs nurturing and Art, Design Technology aims to provide an environment in which students feel secure and reassured to take creative risks.

Extra curricular opportunities in ADT

- Students are encouraged to exhibit their work in public exhibitions, in previous year we have exhibited at Highcliffe Castle and Spudworks. We have an end of year annual summer exhibition hosted in the Da Vinci building.
- Curriculum booster sessions offered at GCSE to enhance learning out of lesson.
- Gallery visits to Southampton and London.
- University connections to AUB, BU and Solent University.
- Life drawing workshops, photography and portfolio support seminars.
- Residential to Conway in Wales for GCSE students, working with artists in residence.
- Lots of internal and external competitions for example: Lego competition and the Annual Rotary Club Technology Tournament and annual Rotary Club Photography competition.
