Closing Date: Thursday 4th November 2021 at 09:00

Letter from the Head Teacher

Dear Colleague,

Thank you for your interest in the position of DT Technician at The Suthers School.

This is a really exciting opportunity to have a real impact on the educational experiences of the young people of Newark. You will join us at the earliest stages of the school's development and will therefore have a unique opportunity to really help shape our students' educational experiences and will help ensure our students experience a truly broad and enriching curriculum.

I am very proud to be building a team of staff committed to securing the very best outcomes for young people, no matter what their starting point. I firmly believe that by fostering essential character strengths, maintaining a relentless focus on meeting the needs of the individual, and in embedding the principles of 'work hard, be kind', Suthers School staff really will make a difference.

Since first opening in September 2017, The Suthers School has grown one-year group at a time and now has a PAN of 120 students per year. The school is oversubscribed in Year 7 and will continue to grow year on year until it reaches capacity in 2023. In light of this, the post being advertised here represents an exciting opportunity to join a new and growing school as well as the opportunity to work in state-of-the-art facilities in a brand-new school building.

We may be starting small but that does not mean our ambitions should not be great. Young people deserve an education that excites and enthuses, one which prepares them for a future as global citizens who are able to think for themselves. The Suthers School is a place where character education is ranked alongside academic preparation and where students thrive in an environment which inspires ambition, compassion and a love of learning.

If you share this ambition, are committed to providing the very best support for young people, no matter what their starting point, I would be delighted to hear from you.

Yours faithfully

Nic Watkin

Head of School

What Makes Us Who We Are?

Our Mission

To empower our young people to be compassionate, self-respecting, independent thinkers with the academic, social and character strengths necessary to thrive in modern society.

Our Philosophy

At The Suthers School, we firmly believe that great education transforms lives. We know that every student has the potential to exceed even their own expectations and we know that the way we do things matters. Our motto, 'work hard, be kind' underpins everything we do, reflects our unwavering commitment to excellence and our absolute conviction that great education is about striking a balance between academic preparation and character development.

Our Approach

We know that young people need both a strong academic foundation and well-developed character strengths to succeed in education and the world beyond. Our goal is to help all of our students develop five vital character strengths and to equip them with the skills and social intelligence to have a positive impact on the world around them.

Tenacity

To show the self-discipline and determination to succeed even in the face of obstacles.

Optimism

To have confidence in a future that is full of possibilities and hold onto the belief that a storm will always pass.

Respect

To value ourselves and all those we encounter by acting and speaking with compassion, tolerance and understanding.

Curiosity

To ask questions, enjoy exploring and be open to new ideas and different perspectives.

Hard Work

To recognise that there are no shortcuts and no excuses and that every member of the team has a contribution to make.

THE SUTHERS SCHOOL

Job Title	Design Technology Technician
Start Date	ASAP
Pay Scale	Scale 3 (£19,312 - £19,698 pro-rata per annum)
Contract	Permanent, full-time (8:30am – 4pm, Mon-Fri), term-time only)
Closing Date	Thursday 4 th November 2021 at 09:00

The Suthers School is a new 11-18 Free School which welcomed its first cohort of students in September 2017. We moved into brand new, state-of-the-art facilities in Fernwood, Newark in September 2020 and as our school continues to grow, we are delighted to be able to offer this opportunity to join our Design Technology team.

By striking a balance between challenge and support and by ranking character education alongside academic preparation, The Suthers School seeks to provide the very best foundation for all its students, no matter what their starting point. If you too are driven by the desire to give every child the ambition to succeed and equip them with the skills they need to take their place as the leaders of tomorrow, then we would love to hear from you.

Above all, we are looking for a dynamic, enthusiastic and suitably qualified individual who shares our passion for ensuring that the needs of all learners are met. The Suthers School is founded upon a work hard, be kind philosophy and offers:

- A character-first approach which places personal development at the heart of our curriculum
- Exemplary standards of behaviour in an environment where students are keen to learn
- State-of-the-art facilities in a brand-new building (opened September 2020) including a 230-place sixth form.
- The opportunity to work as part of a very successful and growing Trust
- Strong commitment to professional development and career progression

To apply, please complete the online application form, including the personal statement which provides applicants with the opportunity to demonstrate how they feel their skills and experience would help them make a positive contribution to The Suthers School and its students.

For any queries or to arrange an informal chat, please contact Laura Wallbank, PA to the Head of School, via email LWallbank@suthersschool.co.uk or call 01636 957690.

Job Description – Design Technology Technician

Responsible to: Head of Department, SLT, Head of School

Key purpose of the job

To assist curriculum leaders and teachers to deliver safe and successful practical lessons in Design Technology.

Key responsibilities

- To prepare equipment and materials, including handouts required for demonstrations and for practical work, along with dismantling and storage after use.
- To assist students and teaching staff with classroom practicals and demonstrations.
- To liaise with teaching staff to support their timetables within a range of KS3 and KS4 classes.
- To construct and/or modify simple teaching aids.
- To be responsible for the maintenance and upkeep of all faculty areas, advising on any improvements which can be made in this respect.
- To maintain all the necessary equipment and consumable resources to deliver practical lessons as required by the department, in a safe environment.
- To maintain a good stock of necessary materials including operating and administering stock control, ordering procedures, preparation of requisitions, obtaining quotations, checking deliveries, etc.
- To operate departmental documentation systems (cataloguing, filing, worksheets, etc.)
- To support the Head of Department with ensuring that all COSHH, HACCP, Risk Assessment, Food Hygiene, Health and Safety Policies and Procedures along with other relevant legislation are met.
- Comply with all statutory requirements in relation to Health & Safety and be aware of the schools Health & Safety Policy.

General

- Operate at all times within the stated policies and practices of the school.
- Establish effective working relationships and set a good example through their presentation and personal and professional conduct.
- Contribute to the corporate life of the school through effective participation in meetings and management systems necessary to coordinate the management of the school.

Health & Safety

- Comply with all statutory requirements in relation to Health & Safety and be aware of the schools Health & Safety Policy.
- Be aware of the responsibility for personal health, safety and welfare and that of others who may be affected by your actions or inactions.
- To support the department head with ensuring that all COSHH, HACCP, risk management, food hygiene, health and safety policies and procedures and other relevant legislation are met.

The above is not an exhaustive list and the postholder may be directed to support in other practical subject areas should the need arise within the scope and demands of the role.
