Haughton Academy, part of The Education Village Academy Trust, is seeking to appoint a Design & Technology Technician who passionately and consistently displays a belief that all pupils can achieve success through excellent support. The Design & Technology Technician will be required to service and prepare the resources/materials required by the department. This may also involve supporting staff and pupils within practical lessons.

We would like someone with:

- Drive and a relentless approach to providing a good service to the Design & Technology Department.
- The commitment to developing children to be the best that they can be.
- An innovative approach to providing support.
- The ability to work independently yet contribute to a wider department.
- Excellent interpersonal, communication and motivational skills.
- High levels of presence, impact and integrity.
- The proven ability to perform at a high ability.
- An enthusiastic and positive approach to support within the classroom and beyond.
- Desire to provide pupils with the opportunity to participate in extra-curricular activities.

We offer:

- Excellent opportunities to develop your own professional practice through observation, training and networking.
- A personalised approach to development.
- A technology rich learning environment.
- A committed staff and support team.
- State of the art buildings and facilities.

Closing Date: Wednesday 27th August 2025 (5:00pm)

Shortlisting: Thursday 28th August 2025

Interview Date: W/C 1st September 2025
