Applications are welcome from experienced leaders and well-qualified ambitious teachers with leadership skills looking to take their next step in professional development.

We are looking for someone who:

A talented teacher who has the passion to lead a Mathematics team. Could it be you? You must be able to demonstrate:

- A proven track record of raising attainment through their teaching and learning, making a positive impact within and beyond their own classroom.
- In depth subject knowledge of subject specialism
- A passion to make a difference in pupils' lives.
- Excellent interpersonal skills and the ability to motivate, inspire, lead and support pupils and colleagues.
- A commitment to school improvement.
- An ability to inspire and lead a team.
- Has a proven track record of raising attainment through their teaching and learning, making a positive impact within and beyond their own classroom.
- Understanding of both GCSE and A-Level structure is essential.

We will offer you:

- Excellent pupil behaviour.
- Happy and enthusiastic children who enjoy school.
- A caring and inclusive school with supportive, enthusiastic and dedicated colleagues, governors and parents.
- Supportive Faculty and Senior Leadership Team, committed to providing quality continuing professional development and support.
- A positive and innovative learning environment.
