About our College

Uckfield College is an excellent and improving school with excellent results, happy staff and students and highly engaged governors. In April 2024, we were proud and delighted that Ofsted graded Uckfield College as unequivocally 'Outstanding' in all areas. The inspection particularly highlighted the extremely positive staff culture and innovative, ambitious professional learning:

The school's 'ceaseless pursuit of learning' extends to staff. Wellbeing is a priority for all. Staff are confident that leaders consider their workload when planning new initiatives. Training for teachers is unapologetically ambitious and highly effective. Early career teachers receive exceptional support and guidance. All staff, regardless of experience, participate in coaching that improves both their subject knowledge and teaching skills. As a result, staff feel highly motivated and are very proud to work at the school. Governors are ambitious for the school. They provide expertise and robust challenge. Leaders are diligent and highly skilled. Together, their shared commitment to continuous improvement is at the heart of decision making.

OFSTED April 2024

Inspectors also said some wonderful things about our students:

- Pupils' behaviour and conduct are typically excellent.
- The Uckfield qualities of love, integrity and kindness permeate the school.
- Different opinions are respected and diversity is celebrated. As a result, this is a highly inclusive school.
- Pupils relish challenge and are not afraid of making mistakes.
- Sixth form students thrive when taking on positions of responsibility, such as head student or when contributing to the student leadership team. They are excellent role models and perform their responsibilities with care, dedication and diligence.

Students are at the heart of everything we do. The positive relationships between staff, parents and students have helped us to sustain and drive significant improvements in recent years. We are very proud of our College and want to recruit members of our staff team who will champion and celebrate our success, within the College and in the wider community.

Our Vision and Ethos

Our Vision: An inspiring College where every individual is supported and challenged to achieve personal excellence.

Our Aim: Is for everyone in our community to lead truly, deeply, happy, fulfilled and purpose-driven lives. Our curriculum is how we achieve those aims.

Our Staff

We are exceptionally proud of our staff here at Uckfield College, both teaching and non-teaching. They are an amazing team who work together collegiately to support each other and help each and every one of us to be the very best we can.

The Music Department has two dedicated teaching classrooms, a Music IT classroom, five practice rooms and a dedicated recording studio. The Department is located in a brand new suite of specialist classrooms which were opened in September 2021. The two main teaching classrooms are largely table free and have a class set of keyboards around the room, interactive screens, teaching piano, acoustic and electric guitars, bass guitars and electric drum kits. A third classroom is a specialist Music IT classroom with 22 Apple Macs running Sibelius Ultimate and Logic Pro X. A music store provides resource management for the various string, woodwind, brass and percussion instruments available.

The five practice rooms are well resourced with a variety of instruments including: pianos, an orchestral xylophone, drums kits, various guitars and their associated amplifiers. There is a dedicated recording studio with a separate live room within the department. The school has a Bechstein grand piano in the school hall used for recitals, exams and concerts.

Music in Years 7 and 8 is based on the appraising, composing and performing model of GCSE with students using instruments and their own chromebooks to create and perform music. We build up key skills and nurture an interest and passion for music in our students.

Years 9, 10 & 11	Students in Years 9 to 11 have opted for either GCSE Music or BTEC Music. The GCSE is our more traditional approach with performing, composing and appraising elements. Our new BTEC option is proving very popular and we have focused on a Music Technology and Industry approach with students learning sequencing and recording techniques alongside how the popular music industry works. Year 9 focuses on building key skills in both courses and introduces students to the more in-depth approach to studying music. Both courses have an emphasis on coursework and students have access to our Music IT suite outside of lesson time to hone their skills. Approximately 30 students study Music across both courses and get five lessons over a fortnight.
Year 12 & 13	We run two courses in the Sixth Form - A Level Music and A Level Music Technology. Both are successful courses with good numbers and about 50% of students go on to study Music or Music Technology at University, including several successful applicants to conservatoires in recent years. Students get five lessons a week in their chosen discipline.
