About Cranbrook Education Campus

We are a school rooted in its community where aspirational learning and opportunities transform the lives of our pupils.

As an all-through, 2–16 campus rooted in the new town of Cranbrook, we are driven by a clear mission: To transform lives and strengthen our communities to make the world a better place.

Every day, our staff and pupils live out our PERKS of being #Crantastic. We are Proud, Engaged, Ready, Kind and Safe.

Founded in 2015 and part of the values-driven Ted Wragg Trust, we work relentlessly to raise aspirations and deliver outstanding outcomes for every pupil, regardless of background. Our curriculum is unapologetically academic, enriched by a vibrant culture of reading, performing arts, sport and community contribution — nurturing ambitious, well rounded lifelong learners equipped to seize every future opportunity.

Cranbrook is a town filled with potential, with one of the youngest populations in the UK, and our campus plays a pivotal role in shaping that future. From innovative initiatives such as the Cranbrook Community Hub, transforming school space into a dynamic centre for family support and community connection, to our commitment to inclusivity, wellbeing and broad life experiences, we strive to anchor and uplift our community at every step.

Joining Cranbrook Education Campus means joining an ambitious, selfless and collaborative team who believe in the power of education to change lives. Here, staff, pupils and their families grow together, driven by shared values, the highest of standards and a deep belief in the potential of every young person we serve.

Our professional development delivery model

Our professional development delivery is underpinned by our Education key concept (see page 8). We believe that professional development should build knowledge, motivate, develop techniques and embed practice.

At the Ted Wragg Trust, we are research informed and believe that it is important that everyone involved in sharing ideas understands the underlying rationale and evidence base. We ensure that professional development is:

Sustained

Frequency is critical,
not time span

Practice-Based

Create new habits

Domain-Specific

Create new habits

External Expertise

Challenge the familiar
& refresh ideas

Professional Buy-In

Purpose & benefits
eclipse volunteering

We believe this slightly adapted model from 'Teaching Walkthrus 2', Tom Sherrington and Oliver Caviglioli is applicable to all professional development and will underpin the delivery of all our professional development networks, seminars and webinars.

Our Ted Wragg Standard

Our Ted Wragg Standard provides a **minimum set of high standards** across all our schools to establish clear structures, implement effective processes and hold each other to account **to enable excellence**. It is based on our three key concepts: Leadership, Education and Every Child Succeeds.

Key Concept: Leadership

We believe that great leadership:

Fiercely educates

Thrives in a complex system

Is locally enabled

Key Concept: Education

We have a clearly defined and articulated learning model that is understood by all teaching staff. This model of the learning process uses the concepts of Working Memory and Long-Term Memory. It draws on ideas from Cognitive Load Theory and the work of Daniel Willingham.

Key Concept: Every Child Succeeds

We believe individual development is well explained using Maslow; that an individual grows in an ecosystem and can be interpreted using Bronfenbrenner's work, and that we are interdependent.

We believe that to enable our children to live a life of opportunity, we need to understand what true inclusion means. To us, our model is based on Maslow's hierarchy of needs and the Bronfenbrenner's ecology of inclusive education.
