Headteacher - Mr T Houghton Bsc (Hons)

January 2025

Dear Candidate

I am delighted that you have requested further information regarding the position of Drama teacher at Oathall Community College. As Headteacher in the college I am committed to providing an excellent education for every child in our learning community.

Oathall College is very much a school at the heart of its community. The staff care passionately about the well-being of the children and are driven to ensure their educational experience is the best it can be. Our students are vibrant, enthusiastic learners and actively engage with the extensive range of opportunities available to them. Our federation of secondary schools work closely together to enhance development opportunities for staff and the educational experiences of the young people in the area. The professional development of all staff is a high priority at Oathall. Our strategic development plan is focused on achieving exceptional outcomes in all areas of the school. The attainment and progress measures at Key Stage 4 are well above local authority and national averages.

The successful applicant to this post will join a team committed to securing the highest quality learning experiences so that all of our students receive an outstanding education. The team works tirelessly to ensure that the progress made by students of all abilities is excellent. Engaging and challenging lessons inspire students to develop a love of learning, to aim high and to maximise their full potential. The exceptionally rich choice of extra-curricular activities on offer to students is highly valued and contributes significantly to their personal development.

To work here you will be dedicated, creative and talented with the ability to inspire others. You will model outstanding practice in lessons and in all interactions with colleagues, parents and students. You will need the ability to work following their own initiative and also the skills to work closely as part of the Performance Faculty team.

The best way to find out more about Oathall is to experience it first-hand so I invite you to visit and see the school in action. Please contact Sara Atkin (satkin@oathall.org) if you would like to arrange a visit.

You will find further information on our website, but please don't hesitate to contact me if you wish to know anything further.

I look forward to welcoming you to Oathall.

Mr T Houghton
