### **About our Trust**

The
3-18
Education
Trust

A very warm welcome and thank you for taking an interest in the current vacancy we have open within our Trust.

The 3-18 Education Trust is currently made up of five schools and derives its name from the age range of the pupils and students who attend those schools. We have an inclusive ethos, defined by age and we recognise that education is a continuous process, secured through consistent values and a strong transition (through the key stages).

Our **Mission** is that we aim to be an excellent Trust that supports and challenges in appropriate measure, so that every individual is in a great school.

Our **Values** are divided into those for students and those for the schools:

For our *students*, that they leave us accomplished, independent, resilient, compassionate young people, with choices and opportunities ahead of them.

For our *schools*, that we celebrate the differences between them, whilst enjoying the benefits of the team so that each school gives and receives support but retains its identity and culture.

Not only do we pursue the important dimension of achieving the best results for each student regardless of their starting point, but we also believe strongly that education is about developing well-rounded individuals who are ready, willing and able to make their contribution to society.

Please take a look at our Trust website <a href="https://www.3-18education.co.uk/">https://www.3-18education.co.uk/</a> for more details. For further information about our schools, please click on the links to their websites below.

# **Additional Information about William Brookes School**

William Brookes School is a mixed comprehensive school with over 930 students on roll, including over 100 in the Sixth Form and each September sees us oversubscribed in Y7. We value the specialisms we hold in Performing Arts and Maths & Computing and continue to support their profile. The school always has an exciting feel to it, with a lot going on every term. We moved into our brand new school in September 2010 and everyone, students, staff and the local community, has embraced the fantastic ICT rich facilities we now have at our disposal. Our school is very much focused on the people who work within the building and we work hard on achieving our motto of "be the best you can be through courtesy, enterprise and endeavour".

Although situated in beautiful surroundings on the edge of the small rural town of **Much Wenlock**, we are far from being a sleepy rural school. We have **eight partner primary schools**, with whom we work very closely, but we draw from a much broader spectrum of some 25 or more primary schools, including some in Telford, Bridgnorth and Shrewsbury, as well as the **wider rural area of South East Shropshire**.

We are a **comprehensive** school in every sense of the word. Our **ability spread is wide and also well balanced**. The last few years have seen several of our students go on to Oxford and Cambridge but we also cater for students with quite complex special educational needs too. The socio-economic background of our students is equally mixed and we enjoy the same levels of support from parents from all sectors. Some children have moved to us from the independent sector, some students live in isolated communities and many live in our surrounding villages and towns, with some 25% coming

from the immediate town of Much Wenlock and surrounding area, approximately 31% from Broseley, which lies to the south of Ironbridge and 17% coming from the neighbouring areas of Telford & Wrekin.

As the only "Coubertin School" in Britain we enjoy not only a rich cultural tradition that is derived from the life and work of our namesake, Dr William Penny Brookes, but also unique opportunities for Sixth Form students to undertake activities with partner schools from across Europe and beyond. Younger students are participating in student voice and leadership activities related to the Olympics and Olympic values. Our Arts Centre, "The Edge", is located at the heart of our new school and it enhances our Music, Dance and Drama facilities as well as benefiting the wider community of this part of Shropshire and reflecting our great strengths in the performing arts.

Dr William Penny Brookes

We consider ourselves very fortunate to work in a wonderful school with fantastic facilities in a beautiful location. **We want William Brookes School to** be a great place to learn and a great place to teach and hope that you will want to join us and be part of its exciting future.
