Behaviour & Attitudes

King Solomon High School has rigorous systems in place to support students in meeting our high expectations of behaviour. However, there are still improvements to be made in ensuring that all staff embody and enact new behaviour systems. The newly appointed Assistant Headteacher will play a key role in supporting staff to develop their practice.

Key aspects of our behaviour systems

- 'Prevention before sanction'. This means that we focus on the consistent application of habits and routines to prevent poor behaviours from occurring in the first place.
- Our approach to behaviour is 'warm/strict' and we believe that 'sweating the small things' prevents more serious behaviours from occurring
- Year 7-11 students line up in the mornings and are collected by their form tutor.
- We operate a daily detentions system.
- We have a commitment to disruption free learning.
- Teachers use 'meet and greet' and 'end and send' routines to ensure that lessons start and end in a focused and calm way.
- STAR expectations and a countdown system are part of classroom expectations.
- There is a 'Behaviour Playbook' in place to ensure that all staff have a practical guide to implementing the school's behaviour policy.

Safeguarding and promoting the welfare of children is the responsibility of all staff. We have a strong culture of safeguarding, and all staff are proactive in reporting any concerns about a student's welfare. We recognise the vital role mental health plays in the everyday lives and success of all individuals. Whilst we cannot always remove the challenges our students face, we can provide them with access to support to help them build resilience, emotional intelligence and coping mechanisms.
