Are you passionate about teaching Catering? If the answer is yes, this is a fantastic opportunity for you!

The Roseland Academy is an Ofsted Outstanding and consistently high-performing Academy where we nurture, challenge and inspire every child to reach their potential.

Our ethos is that students achieve their best when they enjoy their learning. We believe every student has a talent and it is our duty to guide, nurture and support each individual on their journey towards greatness. Exceptional examination outcomes, self-confidence and outstanding life experiences are gained through our school life and enrichment opportunities and are the hallmarks of a Roseland Academy education.

The school is situated on the beautiful Roseland Peninsula on the south coast of Cornwall. The area offers outstanding quality of life, with beautiful beaches, countryside and the historic city of Truro all within easy reach.

We feel very proud to belong to The Roseland Multi-Academy Trust, which consists of three secondary, two small primary schools and a teaching school hub. The Trust's mission is "to provide an outstanding education for our communities, where everyone succeeds" and we put our staff at the heart of everything we do to create a team spirit in our highly successful schools. Continuous Professional Development is prioritised supported by a variety of initiatives that develop our teachers to be truly exceptional practitioners.

We are seeking a motivated and ambitious Early Career Teacher of Catering/Food Technology to join our thriving team. You will work in a collaborative environment where staff support one another and share best practice across both the school and the Trust. Our innovative curriculum, supported by bespoke teaching booklets, ensures preparation focuses on impact in the classroom rather than heavy planning, helping to safeguard both workload and wellbeing.

As part of the Trust, there are excellent career development opportunities, mentoring and access to professional networks that help you grow and thrive as an educator. At The Roseland Academy, Early Career Teachers (ECTs) are fully supported through a subject mentor for curriculum and teaching guidance, a professional mentor for broader development, and the expertise of our OneCornwall Teaching School Hub. This ensures ECTs receive comprehensive support, build confidence and thrive in their teaching from the very start of their career.

Safeguarding Statement:

The Roseland Multi Academy Trust is committed to safeguarding and promoting the welfare of children, and expects all staff to share this commitment. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.

Our Headteachers and Trustees act reasonably in making decisions about the suitability of the prospective employee based on checks and evidence, including Disclosure and Barring Service (DBS) checks, barred list checks, online searches and prohibition checks, together with references and interview information. The level of DBS certificate required, and whether a check for any prohibition, direction, sanction, or restriction is required, will depend on the role that is being offered and duties involved. As the majority of staff will be engaging in regulated activity, an enhanced DBS certificate which includes barred list information, will be required.
