The Academies for Character and Excellence has twenty Primary Schools and across Torbay, Devon & Somerset making up a dynamic and innovative learning organisation. At the heart of all we do is the pursuit of excellence; we want to grow an exceptional Trust, comprised of excellent schools. We are achieving this through our shared core values of Collaboration, Community, Integrity, Equity, and of course Uncompromising Excellence. Our church schools reflect the Church of England's vision of education for 'Life in all its Fullness' enabling all to flourish.

We are truly collaborative, and we work together within and across our schools to ensure through our full and rich curriculum all our children achieve their full potential. We are proud of our outcomes, but we aspire to achieve more than just academic excellence for our children. We also want our children to become healthy thinkers, curious explorers, caring citizens, knowledgeable participants, and confident individuals.

- Have a passion to ensure high expectations for all teaching and learning
- Ensure outstanding pedagogy which inspires, motivates and challenges pupils to be the best that they can be
- Have an understanding of collaborative learning

Our ECT program includes receiving excellent ongoing support through those critical early years of the teaching profession. In addition to school-based training and mentorship, ECTs are afforded the opportunity to take part in our own custom-made training program based on the ACE curriculum. Each session has a key focus and is led by a leading practitioner in that field. This training program has proven invaluable to our ECTs who collaborate with each other as they develop best practice.

We are looking for applications from like-minded people who share our Trust values and enjoy working in a collaborative culture. If you want your potential to be unlocked, and your talent managed, then we would love to hear from you!
