

ECT VACANCY

Calling all aspirational and ambitious Early Careers Teachers! We have an amazing opportunity to join us here at Parklands Primary School in September!

We can offer amazing, polite, well behaved children who love to learn; an incredible staff team 'family' who are friendly, creative and believe in collaboration; and supportive parents who encourage us to be as creative and individual as we can possibly be! Our school is a dynamic place to learn and work in!

As a Trust, we deliver exceptional CPD for our ECTs. We have a Trust ECT group where you can meet and collaborate with other ECTs across the Trust schools; you have opportunities to observe teaching from specialists across the Trust; and our highly experienced mentors and our Trust-led ECT development program will be able to provide individualised support to enable you to be the best teacher you can be.

Further through your career, we have outstanding promotion opportunities across our schools for highly effective and ambitious practitioners. Many of our current Assistant Principals and Principals started their career as an NQT in the Trust, so we really do build and develop from within.

We strongly believe in work/life balance thus we avoid giving unnecessary teacher overload: we keep paperwork to a minimum, ensure staff meetings are kept to a reasonable length, and our staff wellbeing is as important to us as pupil wellbeing.

If you are passionate about teaching and committed to providing creative learning experiences, we would love to hear from you!

Please do visit our school to see our happy atmosphere and creativity in action - we are very proud of our thriving learning environment and superb children!

If you would like a tour and to find out more, please e-mail kate.clark@parklandsprimary.org or phone the school on 01604 491769
