As part of United Learning, a large growing group of schools

Hill View School is part of United Learning, a large and growing group of schools aiming to offer a life changing education to children and young people across England.

Our schools work as a team and achieve more by sharing than any single school could. Our subject specialists, our Group-wide intranet, our own curriculum and our online learning portal all help us share knowledge and resource, helping to simplify work processes and manage workloads for an improved work-life balance.

As a Group, we can reward our staff better: with good career opportunities and training e.g. NPQS, better pay, benefits and ultimately, the satisfaction of helping children to succeed. We invest in our staff wellbeing. Our academies each have at least eight INSET days per year (with three of those solely dedicated to planning, preparation and assessment), and an ongoing group-wide wellbeing programme. It’s an ethos we call ‘the best in everyone’. United Rewards, covering lifestyle and retail benefits including childcare vouchers, car lease scheme, cycle to work etc.

Visits to the school are strongly recommended, please contact the School Office to make an appointment.
