Candidate Brief

EYFS Teacher and Lead

Welcome

Thank you for the interest in this post. EQUA Mead Learning Trust is a family of like-minded schools, that collaborate to provide mutual support, share best practice and learn from each other, whilst retaining and developing each school's individual and distinctive character. We believe every child has the right to an inspiring and fulfilling education and we seek to improve the life chances of all those we serve; therefore, we make it our mission to give **Every Child, Every Chance** of success.

At EQUA Mead, we are an inclusive, passionate and forward-looking educational organisation. We are a Trust of seventeen primary schools, two secondary schools and eight nurseries, all based in Wiltshire. In addition, we have three additional schools joining us in September 2025. Across our schools, we also have four Resource Bases that provide specialist education to children and young people with complex needs.

We believe in the power of education to transform lives and shape a brighter future. We are dedicated to fostering a strong sense of community where everyone works together to achieve their very best. At all of our schools, we do all we can to enable each child and young person to realise their full potential and to develop positive social and moral values.

We understand that successful schools are rooted in their local community. We respect and value the individual nature and ethos of each school while knowing we are more effective when we work together and support each other. We are a mixed Trust that benefits from both church and non-church-based schools and we actively celebrate this diversity. We are highly inclusive and collaborate closely to promote a culture of openness and integrity.

We thrive on providing a wealth of support to schools and seek to empower school leaders. Our CPD, NPQs, ITT, networks, training, research programmes and range of courses underpin a comprehensive development programme for all staff, whilst ensuring wellbeing is at the centre of all decision making.

We have lots more information about EQUA Mead on our website (www.equamead.org), however, If at any stage, you would like to find out more, please do feel free to get in touch.

At Dauntsey Academy Primary School, there exists a culture of empathy, care, motivation and engagement that inspires a thirst for knowledge and a love of learning. It is a place where people's opinions and achievements are recognised and celebrated. We value individuality and we appreciate that everyone is different, having different strengths and needs at different times.

Our commitment to develop the whole child in terms of social, moral, spiritual and cultural learning is intrinsic throughout the entire Academy community.

DAPS is a vibrant learning setting, where trust is implicit between all stakeholders. It is a happy, safe, warm and caring environment, where everyone is willing to challenge themselves and work together, offering support and encouragement, sharing their knowledge, skills and experiences. Stakeholders stretch their boundaries where achievements are celebrated without fear of failure.

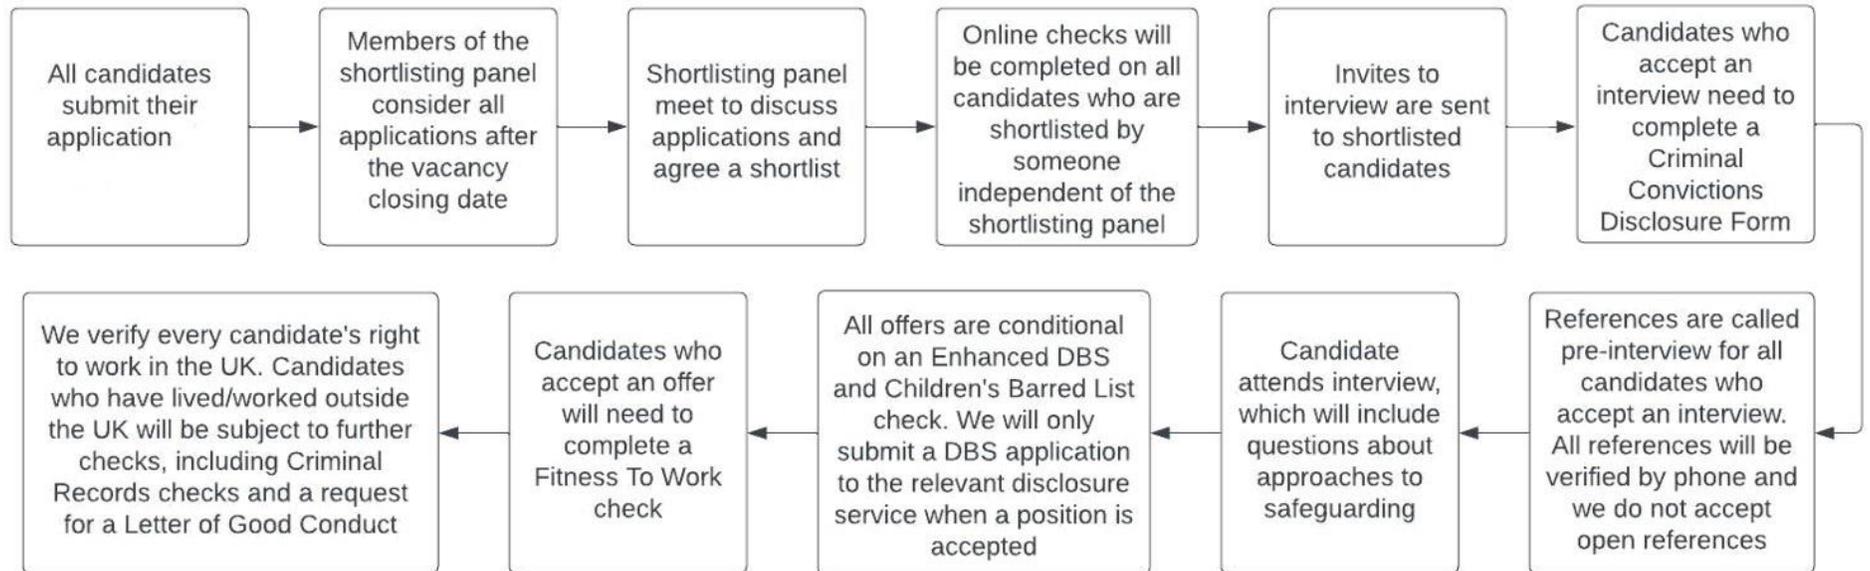

"I like it at a big school because we play a lot and go into the forest. We have a mud kitchen, so I make potions, and sometimes for school lunch we get jelly for our pudding"
