We are looking to recruit an enthusiastic Level 3 Early Years Practitioner, with previous experience of working with children under 5 years old, to join our wonderful team. This role is not just about providing high quality care in a fun and stimulating environment, but about making a significant impact on each child's individual needs and development.

As an Early Years Practitioner, you will not be alone in your journey. You will be working alongside a team of fun and supportive practitioners, creating an engaging environment that enables children to reach their full potential. We believe in the power of teamwork and the strength it brings to our nursery.

Ibstock Day Nursery is a friendly, fun and vibrant children's nursery, providing exceptional childcare and education for children aged 3 months to 4 years of age. The nursery is based at Ibstock Community College, having over twenty years' experience in early years and a well-respected and trusted reputation within the community. The nursery is ideally situated for both staff and parents with free on-site car parking and also benefits from being close to major road networks including the M1 and A42, putting it within easy reach of Leicester, Derby and Nottingham.

*LiFE Multi Academy Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.*

*All offers of employment will be subject to a DBS check and an online search.*
