An exciting opportunity to join an Outstanding team!

We are seeking a caring, enthusiastic and dedicated Early Years Teaching Assistant to join our two-year-old provision. Working under the guidance of the Room Lead and EYFS Lead, you will play a vital role in delivering a high-quality, play-based curriculum that supports the individual needs of our youngest learners. You'll help create a safe, stimulating environment where children can thrive emotionally, socially and academically.

We are looking for someone with experience in early years settings and a strong understanding of the EYFS framework. The ideal candidate will bring a warm, nurturing approach and a genuine love for working with young children. Excellent communication and teamwork skills are essential, along with a clear commitment to safeguarding and promoting the welfare of all children. Join our supportive and forward-thinking team and make a real difference in the lives of children and families.

Thorpe Hesley Primary School is a happy, welcoming and vibrant place full of children and staff who have a real enthusiasm for learning. We constantly strive to be the best that we can be and give our children the best opportunities and experiences that we can. We are a creative school and believe that every child should be prepared for an ever-changing world through an inspiring, bespoke and creative curriculum. We are very proud of our creative curriculum which our staff have carefully developed with our children and our context in mind. Our pupils are incredible citizens who are taught and encouraged to care about each other and about their education. We are very proud of the lovely work they create and of their outstanding attainment which is consistently well above local and national averages.

We are a friendly, larger than average, Outstanding school, catering for around 550 pupils from Early Years Foundation Stage to Year 6. We have our own Nursery as well as comprehensive wrap around care provision, including a breakfast and after school club. Every member of staff in school, as well as our Advisory Group, are fully committed to giving the school and our pupils their best.
