## Godalming College

Godalming College is one of the best performing sixth form colleges in the country and a great place to work and study. We are very proud of the achievements of all our students and have a strong track record of consistently high results. Value added scores are excellent and the College was rated Outstanding by Ofsted in our inspection in December 2019. It was noted in that inspection that:

*'Leaders support staff very well. They take the well-being and workload of their staff into account when determining new processes and policies. Staff benefit from extensive investment in professional development opportunities, which helps them develop both their subject and classroom skills. Staff are highly positive about working at the College.'*

More recently in our 2022 Staff survey, 96.8% of staff said they were proud to be a member of staff at the College and 96.2% of staff would recommend working at Godalming College. The following quotes are from members of our current team:

*'It is a supportive, positive, happy environment, which is great for both students and staff.'*  
*'As a member of staff I am given autonomy but always know that guidance, direction and support is available'*  
*'Senior Leaders do care and do consider staff welfare more than any other school/college that I have worked at.'*

The College currently employs around 250 teaching and support staff on both a full and part time basis.

The success of Godalming College is also about community with students from all walks of life enjoying a whole range of opportunities in a welcoming and friendly environment. Students enjoy a stimulating, lively and challenging learning and social experience; they are treated as adults by specialist and dedicated teaching and support staff in facilities that have seen major investment over many years.

The campus comprises of nine newer large buildings and our older main building, which was the original grammar school, built in the 1930's. Since the 2000s there has been a phased refurbishment and expansion of the College which included a new English and Modern Foreign Languages block, Media suite, netball and tennis courts and an 11 acre site for Rugby and Football pitches. We would invite you to take the virtual tour on our website to see for yourself the facilities of which we are so proud.

The College is within walking distance of Godalming town centre and the railway station, is easily accessible from the A3 and provides free car parking with EV charging stations for staff.

The College year runs for a period of twelve months from 1<sup>st</sup> September-31<sup>st</sup> August although the official start of the Autumn term varies. In 2024, the Autumn Term will begin on 27<sup>th</sup> August for all staff.

Full-time teaching staff have a time-tabled teaching commitment of 23.5 hours plus almost 9 hours directed time per week. Part-time staff will normally be appointed for a pre-determined number of time-tabled hours with an additional proportionate directed time element. In addition, a teacher will be expected to work such additional hours as may be needed to discharge their duties effectively including, in particular, the marking of student work, the writing of reports on students, preparation of lessons, teaching material etc.

Teaching salaries are paid according to the Sixth Form College Teachers' pay spine and the Godalming College Single Leadership spine, depending on previous teaching experience. The Academy Trust Board reviews salary scales against any nationally determined pay agreements on an annual basis, the changes being implemented from 1<sup>st</sup> September. Incremental progression is subject to satisfactory performance review. The current pay spine is included in this application pack as is an infographic of the additional benefits we offer.

All offers will be subject to the receipt of satisfactory references, enhanced DBS disclosure, medical clearance, right to work in the UK check and proof of necessary qualifications. As the post is based in a Sixth Form College we have a responsibility to ensure that all staff are suitable to work in this environment and referees will be asked to confirm this.
