- It is our intention that all trust schools, and the trust as a whole, be recognised locally and nationally for the exceptional quality of its educational provision.
- We are a family of interdependent schools with a shared ambition to transform lives.
- We are committed to the development of a very high-quality, and evidence-informed, model of how excellence is achieved.

Excellent education – we have plans for work in primary, secondary and special education which aim by 2028 to achieve top quartile performance in primary and secondary results and that has very high approval ratings externally and from parents for children with special educational needs.

Excellent staff – we have a People Strategy that includes the ambition of being the employer of choice for school staff in the region.

Excellent support for schools – we have included in our plans for work in primary, secondary and special education how schools are supported to provide excellent education and we have an operational plan for wider support for schools in the trust, those who wish to be associated with the trust and those who potentially might wish to join the trust.
