The Ellesmere Port Church of England College is looking to appoint a suitably qualified and experienced person as Emmaus Manager to join our dedicated staff. You will work under the direction of the Senior Leadership Team to manage the Emmaus, which is our Exclusion Room.

The role involves supervising and working with small groups of students, and individual students, who require support, enabling them to work within their timetable, in accordance with the College's Behaviour Management Policy. You should be committed to working with our students to promote a positive ethos and learning culture which reflects the high expectations of the College and the Trust.

The successful candidate must have experience of working in an educational environment with children of secondary school age, including experience of working with students with additional needs particularly social, emotional and behavioural difficulties. You should be

sensitive and understanding with the ability to remain calm and think clearly in stressful/emergency situations. Well-developed ICT skills, including a good working knowledge of Microsoft computer packages, are essential and you should have at least five GCSEs, including Maths and English, at grade C or above (or equivalent qualifications).

This is an excellent opportunity for an ambitious individual to champion the College's development, by joining us on our exciting journey and helping us to ensure our students receive a world-class education, thereby enabling each child to reach their full potential.

The Ellesmere Port Church of England College is a secondary school with an ethos based on Anglican beliefs where we welcome students from all faiths.

We are a part of the Frank Field Education Trust and work collaboratively with others in our FFET family, allowing our students and staff many opportunities to develop themselves. This is embodied in the FFET vision: 'Social Justice through Excellence in Education' and in the College's motto: 'Aspire not to have more but to be more'.

We have a modern, state of the art building, which uses new technologies to support and enrich the learning experience and curriculum. This rich combination ensures that we are able to prepare all our students for the challenges of the future.

Closing date for applications: Monday 11th October 2021 at 9.30am
