We are looking for an ambitious and experienced individual to join our team in the role of Emotional Well Being Support Officer. This is new, crucial role within our school, working alongside other members of our emotional well-being team to provide the right support for our children. The role will be varied and demanding and we are looking for somebody with a positive approach, patience and resilience. Ideally, you will have experience of working with children who face barriers to their learning, and be able to provide appropriate interventions to help them get back on track.

You will work closely with the EWB Officer, Safeguarding Lead and Behaviour Lead to implement policies, engage parents/carers and support in raising the aspirations of the whole school community. Key to this role will be the effective communication and engagement of parents/carers, working alongside them to provide the best support to pupils.

This is an exciting opportunity to utilise your skills and experience to support children of all ages and abilities. Our children are eager to learn and we want people who are able to support them in a nurturing way. No two days are ever the same at Dorchester and our committed team go above and beyond for the community we serve.

If you are ready for a challenge, have a positive outlook and want to develop your understanding and skills in a supportive Trust, then we would love to hear from you.

The successful candidate will:

- Have experience of working with primary aged pupils.
- Have an understanding of the challenges pupils and families face.
- Be proactive and flexible, willing to meet the needs of the school.
- Go above and beyond to provide the very best for our pupils.

We can offer:

- Delightful children who love being in school
- Hard-working, motivated and knowledgeable staff, who work together in the best interests of children
- Opportunities to work with colleagues across our schools
