Safer Recruitment Statement

It is **essential** that you:

- **read and retain this statement; and**
- **complete and return the attached form to the recruiting school with your application form.**

Kepier is committed to safeguarding and promoting the welfare of children and young people, and expect all staff and volunteers to share this commitment.

The post you are applying for is exempt from the Rehabilitation of Offenders Act 1974. To be considered for this employment, you must disclose details of any non-protected convictions, cautions, warnings or reprimands you may have. The amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found on the Disclosure and Barring Service (DBS) website (<https://www.gov.uk/government/publications/dbs-filtering-guidance>).

We therefore ask you to complete this form as fully as possible and return it with your application. The only people who will see the information you give us will be those directly involved in the recruitment process. At interview, or in a separate discussion, we will ensure that an open and measured discussion takes place on the subject of any offences or other matters that might be relevant to the position.

If you are successful at the interview, we will require you to make an application to the DBS to obtain an Enhanced Certificate of Disclosure and barred list check. If you are subscribed to the DBS online update service, then your DBS certificate may be 'portable' between employers and organisations provided it is at the right level and for the right workforce.

To speed up the appointment process, please inform us of your registration status. If you are registered, we need your permission to use the online update service for the purposes of obtaining an up to date DBS certificate check should you be offered an appointment. We also ask for your permission that a recheck can be made during your relevant employment if required by any legal, safeguarding or regulatory body. If you have worked or have been a resident outside of the UK within the last 5 years, you must provide a certificate of good conduct or a copy of your criminal record for the period of time which you were abroad. Your appointment is subject to this check and it is important that you keep us informed of the progress you make in obtaining this document.

To obtain either a certificate of good conduct or a copy of your criminal record, you must contact the UK based embassy of the country in which you worked or lived. You can find out more information on how to get an overseas check on the website www.homeoffice.gov.uk/DBS

Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of your offence(s). The DBS has a code of practice, which we fully comply with.

We ensure that anyone making appointment decisions has the necessary information, guidance and support to identify and assess the relevance and circumstances of any offences.

If you are invited for interview, we shall assess:

issues relating to safeguarding and promoting the welfare of children and young people including:

- your motivation to work with children and young people;
- your ability to form and maintain appropriate relationships and personal boundaries with children and young people;
- your emotional resilience in working with challenging behaviours; and
- your attitude to the use of authority and maintaining discipline.

If you are offered the post, we shall ask for evidence of:

- your identity; and
- your qualifications (including any relevant professional registration).

We shall also check:

- that you are medically fit to undertake the role.

References:

We shall also take up detailed references from your current and previous employers. If you are currently working with children, on either a paid or voluntary basis, your current or previous employer will be asked about disciplinary offences relating to children, including any in which the penalty is time expired. We will also ask if you have been the subject of any child protection concerns and if so, the outcome of any enquiry or disciplinary procedure.

False Information

Please note that providing false information is an offence and could result in your application being rejected or your dismissal from employment if you are appointed. The matter may also be referred to the police.
