*'The Best From All'*

**Information for Prospective Candidates**

**For the post of**

**ENGLISH TEACHER**

**(Required from 1st September 2026)**

January 2026

Dear Potential Candidates

Thank you for your interest in this teaching vacancy and I hope that the information contained in this pack helps answer your questions about the post and the academy, and that this leads to an application from you.

The most important thing you need to know is that Warden Park Secondary Academy is a fantastic school to work in! The academy is very well respected in the local community, has a long tradition for excellence and our students' outcomes are very strong. Our students are excellent - generally above average ability on intake they have an excellent work ethic, standards of behaviour are very high and they are enthusiastic in their support of the academy evidenced, for example, by the very high numbers who engage in extra-curricular activities. You will therefore not be surprised to hear that the academy is significantly oversubscribed for the 300 places on offer in Year 7 each year. Places in our excellent Special Support Centre (SSC) which caters for 28 students with Education Health and Care Plans are equally sought after.

Warden Park Secondary Academy and Chichester Free School, along with four primary schools, Warden Park Primary Academy, Northlands Wood Primary Academy, Woodgate Primary Academy and Billingshurst Primary Academy, make up the Sussex Learning Trust. The six Headteachers work closely and opportunities for partnership work across the curriculum are evolving as the Trust develops.

There is excellent pastoral care in the school coordinated by a very experienced team of colleagues who oversee our five Communities - Africa, Americas, Asia, Europe and Oceania - and who contribute to ensuring that, even in a large academy such as ours, every student is known and well-cared for.

There is a strong focus in the academy on developing excellent teacher practice. We are a research driven learning institution and our professional development is focused on reviewing best practice and carrying out our own research in order to improve the quality of teaching in our classrooms. Being professionally curious and keen to build strong professional relationships with colleagues are important characteristics that we seek and these are evident in the teachers that thrive here. It is equally important that teachers are able to capture and excite the imagination of students through their subject teaching, role modelling academic excellence and good character.

Through our curriculum we aim to personally empower students by developing in them the ability to act in pursuit of positive personal fulfilment. Our approach is underpinned by a belief that:

- Strong academic outcomes provide students with the foundation to excel in the next and future stages of their learning.

- Highly developed character virtues provide students with the means to develop positive emotions, build and sustain positive relationships, find purpose and meaning in their lives and feel a sense of accomplishment.

By achieving this, we ensure that our students leave well-equipped to be successful in the next phase of their learning and, beyond that, to be confident and empowered with the character virtues, skills and capabilities to go on to be successful employees, citizens, partners and parents. These are equally important life-long outcomes for us.

Further details about our values, culture, ethos and ambitions can be found on our website.

## **The English Department**

The English department at Warden Park has been transformed in recent years and on a regular basis achieves results way in excess of national averages. We have the highest aspirations for our students as well as our staff, and firmly believe that the school's maxim, 'The Best From All', should be present in all that we do.

The English department consists of a large team with a wealth of experience. Our team is enthusiastic and passionate about developing students' reading and oracy skills. This year we have redesigned our KS3 curriculum to ensure students encounter a range of voices and experiences in order to deepen their cultural capital and enrich their character.

The English department is well-resourced, with centrally planned resources to reduce the planning load. The department has a designated office, where staff work and socialise during breaks, and which forms a central base for our English teachers. All of our students and staff have iPads and use them in all lessons to share slides and resources.

There is plenty of support available to new staff, both from colleagues and in the form of resources. We believe CPD is invaluable, and are building links with schools in the locality to further develop this. We also ensure Teaching and Learning is at the heart of all we do in the English department, therefore ensuring we offer CPD within our department meetings.

The Department follows the AQA syllabus for English Language and English Literature. English nationally has been undergoing a period of significant change in recent years. However, Warden Park's English Department is fully committed to embracing these changes, whatever they may be, and ensuring that exam expectations are balanced with a love of the subject and a passion for reading.

## **Job Description**
