# BACKGROUND: Post Details

We are seeking a dedicated and inspiring English teacher to join our team. We are committed to ensuring all lessons are pitched appropriately, so that our students are able to thrive. Our aim is that all students develop a love of English and a desire to achieve the very best they can.

At key stage 3, students are placed in mixed attainment groups. We aim to encourage debate and discussion, promote a love of reading and develop independent and critical thinking. We believe that providing a rich and varied diet of reading across our literary heritage will enable students to understand their cultural capital. We seek to inspire pupils by reading and emulating the work of wordsmiths from our literary canon – from great novelists and poets to skilful orators For GCSE (AQA), we retain mixed attainment groups.

Most English lessons are taught in a suite of eight adjacent rooms on the first floor of the Main Building; resourcing for the subject is good. Clerical and reprographic support is available and staff have direct access to reprographic and I.T. facilities.

The English Faculty maintains links with Hampshire Inspection and Advisory Service for Education; the department also works with the language co-ordinators of our local primary schools, particularly in view of our significant cross-phase liaison to improve literacy for all.

# General Information for Applicants

The Arnewood School provides a high-quality education for students aged 11 to 19 years of age. The school was formally grant-maintained, then a foundation school and most recently an academy. School leaders established The Gryphon Trust which has two schools. Eaglewood School, The Arnewood School's partner, is an alternate provision school, recently built following our successful submission to establish a free-school. Despite our autonomy we are by instinct outward facing and always willing to work with others with similar values.

The school currently has just under 1000 students including approximately 150 in the sixth form. The school has an excellent record of academic success albeit this is obscured in performance table as we are truly inclusive. We do not off-roll vulnerable children just to look good for OfSTED. Students, parents, staff and members of the wider community are justifiably proud of the school's success.

Parents are overwhelmingly supportive of the school and its staff. The school has excellent IT services. Our embedded use of virtual learning meant that we found ourselves better placed than many to switch to remote schooling during the 2020/21 pandemic.

## Our Aim

The school's aim is: -

To allow each student to fulfil their unique potential and make the world a better place through their informed choices and actions. We aim to inspire the next generation by equipping them with the skill, knowledge and attributes to be successful in their chosen future in work and leisure. We seek to build the aspirations of our students so they can become the best versions of themselves and view the world with excitement and opportunity.

This is captured in our mission statement: -

*Working together; Shaping Tomorrow*

## Location

We serve a diverse catchment in New Milton. Children mostly join us from link primary schools but some travel from further afield. New Milton is a thriving town. Its high street has weathered the economy better than many. We have a mainline link to London and Weymouth. Geographically we enjoy the benefits of being equally close to The New Forest National Park and seaside. The town has excellent sporting and cultural amenities including many clubs and an arts centre. Housing, including rental property, is available in the town but many staff live Southampton or Bournemouth which are easily commutable.

# The School Curriculum

The school's curriculum is organised around key curriculum areas each led by a head of curriculum or subject leader. Students follow a broad curriculum in key stage 3 (Y7 and Y8) before selecting options in key stage 4 (Y9 – Y11). We encourage students to think of their time in school as a 7-year journey culminating in sixth form study at Arnewood Sixth.

Our principle curriculum areas are: -

**English**  
**Mathematics**  
**Science**  
**Humanities**  
**Modern Foreign Languages**

**Expressive Arts**  
**Information Technology**  
**Design Technology**  
**PE**  
**Vocational Studies**

We offer over 20 different subjects at key stage 5.

Our curriculum is rich and we provide a wide range of learning opportunities in a variety of ways to meet the context of the school and the locality it serves. Both the formal curriculum and informal curriculum are important to us. The school's extra-curricular programme provides excellent sporting and cultural enrichment.

At all key stages learning is based around five key pillars which we believe to be essential in facilitating the delivery of the school's aims for its students. These are that learners should be: -

## Pastoral Care & SEN

Ours is an inclusive school. We are non-selective and see our role as giving all students, irrespective of their starting point, the best opportunity in life. All teachers play their part in the pastoral care of our students ably supported by specialist non-teachers with pastoral responsibility including pastoral assistance, medical welfare, attendance, safeguarding and inclusion. Tutors are allocated to tutor groups and in general progress with the same class as they mature through the school. Each year has a head of year.

Our SEND team is led by the school's SENDCO and the Learning Support Manager. We have a large team of learning support assistants work in classrooms to support teaching staff. Other staff lead small group work in learning support including language and numeracy intervention.

## The Arnewood School Professional Culture

Our professional culture sets the tone for the way we interact with others.

- We are here for the children first – the “litmus test” for our decision-making is what is in the best interests of students, their families, and our community.
- We model the behaviour we expect from others including students.
- We praise and share the success of others above ourselves.
- We define problems and design possible solutions - we don't grumble and moan.
- In the face of adversity, we remember we are team players and colleagues will support us through good and bad.
- We are honest - we don't say one thing and think another.
- We only make commitments we intend to and are able to keep.
- We presume honourable motives.
- In conflict we talk directly and privately to the person with whom we share a problem - we don't gossip.
- We forgive and we move on.
- We give ourselves time to listen and think - we work hard and do not feel guilty if we take time for ourselves and friends and family.
- We teach with an “open door”.
- Our core business is teaching and learning – this is the priority.

## Safeguarding and Child Protection Statement

In safeguarding children, we aim to: -

- provide an environment in which students feel safe, valued and respected
- allow students to feel confident, and know how to approach adults if they are in difficulties believing they will be heard
- inform all teaching and non-teaching staff of the need to safeguard all young people and of their responsibilities in identifying and reporting possible neglect or abuse
- provide a systematic means of monitoring students known, or thought to be at risk of harm and ensure we, as professionals, contribute to assessments of needs and support for those students
- develop and promote effective working relationships with other agencies, including children's social services and the police
- maintain a structured procedure within the school including visits and trips which will be followed by staff and the community when child protection is necessary.

All staff working within our school, who have substantial access to children, will be checked as to their suitability to work with young people. This will include, to give some examples, verification of their identity, qualifications, and a satisfactory DBS check. Details will be maintained in a single central record for audit purposes.

# Equal Opportunities Statement

The Gryphon Trust and The Arnewood School values the diversity of our workforce and welcomes applications from the whole community irrespective of race, religion, sexual orientation or disability. Together we are stronger.
