WELCOME TO UFFCULME ACADEMY TRUST

I hope that this recruitment pack will give you an idea of Uffculme Academy Trust, what we stand for and what it might be like to work with us.

We have a simple and compelling vision for education. We believe that our schools should sit at the heart of our communities; that there are no limits to what our children and young people can achieve; and that they should be great places to work and learn.

We are incredibly proud of our Trust and the schools within it. Strong partnerships, collaboration and generosity are the bonds which underpin our collective mission to provide great education for all children no matter what their starting point or their background.

I have been associated with Uffculme Academy Trust for more than 10 years, and I have no doubt that it is a very special organisation. Having moved from Headteacher to Executive Head to CEO, I know first-hand how a strong ethos, ambitious culture and compassionate environment drive success. We are lucky enough to employ brilliant people who share our vision, many of whom have started careers with us and stayed to progress these careers. We want people to join us who believe that whatever their role, they can make a difference to the life chances of students. We are totally committed therefore to helping all our staff thrive and fulfil their professional ambitions.

We are looking for an individual who shares the same vision and values - if you believe that you have the skills, drive and vision to help us achieve our aims we would be delighted to receive your application.

We look forward to receiving your application.

LORRAINE HEATH, OBE
CHIEF EXECUTIVE OFFICER

Welcome To Axe Valley Academy

Dear Applicant,

Thank you for your interest in this exciting post. The English teacher post is one that is pivotal in the journey of continued improvement of Axe Valley Academy and to the future success of our school. It is a role designed carefully to support the English Faculty lead at Axe Valley Academy.

Axe Valley is an ambitious school where a staff body of dedicated and motivated professionals continue to work hard to support its community. It is a school that we are immensely proud of because it is a real community. We are a completely comprehensive school offering high quality educational opportunities to students of all abilities and aptitudes.

I am looking for an enthusiastic English teacher who shares our commitment to ensuring that the young people we serve receive the best possible standard of education because the progress of each individual student matters to us regardless of their starting points and despite their barriers.

You will join a supportive, positive and committed team who shares a vision of driving Axe Valley to be exceptional. We are a school that staff and students are proud to be a part of and who enjoy working together. We aim to develop well rounded young people equipped to deliver positive social change in their school and wider communities. We believe that students need a broad education, one that nurtures specific positive character traits and virtues. We also pride ourselves on our pastoral care. Being a smaller school has some significant advantages and one of those is being able to know every student as an individual; to recognise and nurture their strengths; to teach kindness explicitly and to be as kind as we can. Our beliefs as a school community are straightforward teachers are here to teach and students are here to learn. There is no escaping that a huge part of the purpose of education is to equip children with the examination results that they need to give them as many options as possible. We must be in the business of opening doors for the young people in our care. We demand the highest standards and expect students to engage with their learning no matter what and we don't apologise for this.

If this vision matches your own, we would be delighted to hear from you.
