English Teacher (Fixed Term, Maternity Cover)

We seek to appoint a dynamic, highly motivated and inspirational English teacher to become a valued member of our English department. Applications from NQTs are welcome.

Over the past two years the English department has undergone a period of rapid improvement with an exciting and successful transformation in learning and teaching. As a collaborative team, who work together efficiently and will always support each other, we are actively seeking to appoint outstanding and innovative teachers to join us and help shape our journey from good to outstanding. We offer personalised induction and support programmes for new staff, with many opportunities for professional development.

This short-term maternity cover post may be full time or part-time (minimum of 0.6 FTE), with hours/days to be agreed by negotiation.

This is an excellent career opportunity for a colleague who firmly believes in the entitlement of young people to a rich, engaging and stimulating English curriculum. Working within a vibrant and highly successful faculty, you will be an outstanding classroom teacher who is totally committed to the progress of all students in our popular and fully comprehensive school.

You will have an unwavering belief in the potential of every student, and a contagious enthusiasm for your subject which will excite and motivate all students to achieve their very best. You will:

- Engage, inspire and enthuse students through a genuine passion for your subject and for learning
- Have high expectations of student achievement and behaviour
- Be a great classroom practitioner
- Be forward thinking, creative and well organised
- Be enthusiastic, resourceful and fully committed to securing student progress.

This popular and successful 11–18 school stands in beautiful open countryside on the edge of Beaminster, a Dorset town with great charm and historic interest, just 6 miles from the World Heritage Jurassic Coast.

We have a **joint Sixth Form** with our partner school, the Sir John Colfox Academy in Bridport, offering a broad and developing range of courses including English Language and Literature. Sixth Form numbers are buoyant and our results are some of the best in Dorset. Knowledge of, or an interest in, teaching A level English Language would be beneficial although certainly not necessary.

Visits to the school are welcomed and encouraged, and the Head of English will be happy to meet with you. Please do get in touch if you would like to arrange this.

We value the diversity of our workforce and welcome applications from all sections of the community. Beaminster School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants are required to have appropriate medical and enhanced DBS clearance. Full details can also be found on the school website: www.beaminster.dorset.sch.uk
