FURTHER DETAILS OF OUR ENGLISH DEPARTMENT

The department is a dynamic and successful one. The department has four leadership roles within it: Subject leader, Lead Practitioner, Second in department and a member of staff responsible for transition and KS3. This is in addition to the school Librarian who works closely with the English department. The department is suited in superb new accommodation based around the library. In addition, we have a high-level-teaching-assistant who works with the department on a full-time basis.

CURRICULUM

In English all students are taught in academic sets across KS3 and KS4. The current qualifications studied for are AQA English Language and Literature and AQA English, as appropriate. At A-Level we offer OCR GCE English Literature. This is a very exciting opportunity to join a department and a school who are making great strides towards the goal of being an outstanding school.
